

Student Handbook

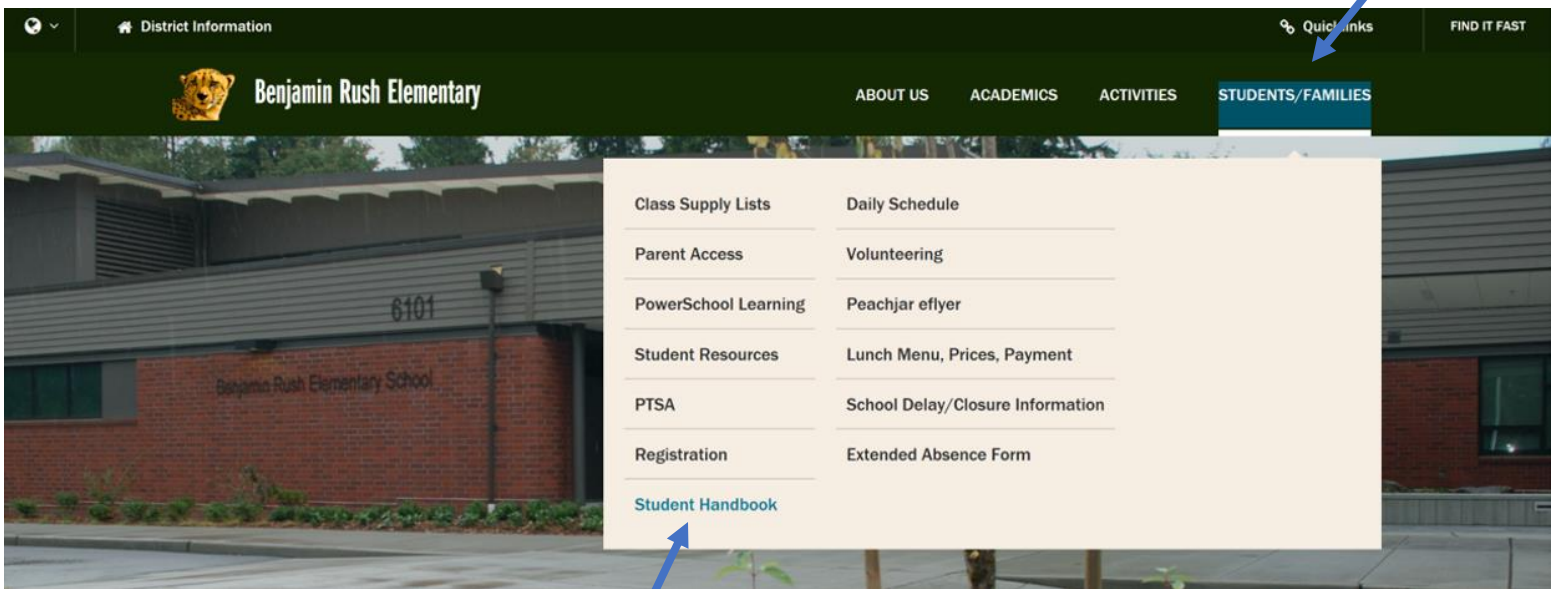

Dear Families,

We have updated the Ben Rush Student Handbook and posted it online on the Ben Rush Elementary website. The student handbook contains important information including details about; student drop off and pick up, absences and tardies, homework expectations, and discipline procedures. In addition, you will find information about how to volunteer at Ben Rush Elementary.

Please take a few moments to look through the student handbook and then **sign and return this form to your student's teacher**. The signature verifies that you have seen and are aware of the contents of the handbook.

You can find the Student Handbook by visiting the Ben Rush Elementary Website and looking under the Students/Families tab. *If you would like to have a paper copy of the handbook, please request one at the front office.*
