Welcome: Makele Moore welcomed members.

Attendance: Tracie Atkins, Evette Ashton, Makele Moore, Jeff Pryor, Monica Panzarella, Mr Campbell, Vincent Clow, Curtis Carlisle, and Nicole Johnston.

Principal Comments:

School Improvement Plan: Done, thanks to Mr Campbell and Mrs Ashton. The Plan was placed on the schools website, mentioned to the parents in an email from the principal with a link to access and the community council.

Ms Salazar. Submitted an application but was overlooked. We as a council wanted to award the grant needed by the Theatre Department with some of the remaining Trustland monies. Mr Campbell brought to the councils attention that the Theatre Dept. receives money each year from the district and there is money still available in her budget. With this new information we as a council voted to award Ms. Salazar money/grant next school year. Jeff Pryor motioned to accept this decision and Vince Clow seconded the motion.

SB149: New this next school year('19-'20), the State of Utah will be awarding each student \$100.00 for the purpose to help kids increase 1% on the end of year testing. It is up to the school/principal to decide how to approach this. Mr Campbell felt that we as a council be aware of this and with all of us, we can come up with a plan. Several ideas were brought up which include: flexible seating/maker space in the library, a lock box of sorts that teachers would have in their classrooms for students to place their electronic devices inside with the ability to charge it also and to upgrade the iPads that are actually being used so those teachers and students that use those frequently have an up to date device.

Next year:

Who is going to be back: Ms Ashton, Mr Carlisle, Mr Clow, Mr Campbell, Makele Moore, Penny Morris, Tracie Atkins, Deborah Baird, Jeff Pryor and Nicole Johnston.

Chair/co-chair: Vincent Clow motioned to vote approval for Jeff Pryor and Makele Moore to be co-chairs. All in attendance agreed.

Meeting day and time:

Several ideas were mentioned and the council agreed to hold next years meetings on the second Friday at 9am.

Questions/Comments: Makele Moore and Principal Mr Campbell thanked all those members and staff for their time and effort this year to help the students in a positive way to learn and have the tools necessary to gain greater knowledge.
