LEAD STAFF

Laurie LeClerc - Program Coordinator

Chandavonne Panasy - Head Teacher KMS

Michaela Raymond- Head Teacher KCS

PROGRAM OBJECTIVES

- To meet the needs of working parents by providing quality child care before and after school as well as during school and summer vacations
- To provide a safe, healthy, nurturing environment for school-age children in which their physical, emotional and social needs are understood and positively addressed by the combined efforts of the program staff.
- To provide age-appropriate activities for children 5-14 years of age and meet the specific needs of individual children.
- To provide an environment which enriches what happens in school, allows children the time and place to develop interests and relationships and to venture out into new areas.
- To provide children with frequent opportunities to participate in community activities that take place outside the school.
- To provide children with activities and experiences which will teach them socially acceptable techniques for expressing thoughts and feelings, resolving conflicts and problem-solving.
- To provide rewarding, fun, academic and recreational experiences which promote a healthy self-concept and teach independence.
- To provide a means by which parents, program staff and the school administration have input work together as a team in the best interest of our students.

Children must have sneakers and appropriate clothing for games and activities in the gym and outside. We have a social contract with you regarding appropriate dress. We ask that you have female students wear playground shorts under their skirts or dress to protect their personal privacy.

There will be no use of electronics including phones, ipads, ipods or other devices in the KCP K-4. Any devices in use will be collected by staff and held for parents.

In KCP 5-8 devices in use will be collected, and used only during electronics time. If a student needs to call home, they may do so in the office.

CHANGES IN SCHOOL SCHEDULES

School Vacation Days

When school is not in session, KCP K-8 is open from 6:30 a.m. - 6:00 p.m. **ALL** children in grades K-4 will attend the KMS site. KIS will host grades 5-8.

The program staff schedules a full day of activities for the children. Students should come dressed for the weather. Please pack a lunch and snacks.

Early Dismissals

If a storm causes school to be dismissed early, all after school sites will open upon dismissal (1:15 p.m. for KCS & KMS, 12:15 p.m. for KIS). **Each year your child's school will send home an "Emergency Release Form". If you wish your child to be released to the KCP program on early dismissal days, please be sure to note it as such.**

Delays

If a storm results in a 2 hour delay of the school opening, **the morning program at KCS will open at 8:00 a.m.** (Please note: NO breakfast is served). There is no morning program for KIS.

Snow Days

If a storm results in the closing of school for the day, KCP will be open unless the storm is so severe that the Superintendent closes the district. The program will open at 8:00 a.m. at KMS for grades K-4 students and at 8:00 a.m. for KIS at KIS. Please check the school website.

Summer Vacation

The KCP K-8 operates a full summer program for the children. All children in grades K-4 will attend together at either KCS or KMS. Monday, Wednesday & Friday, the children will follow a schedule of structured activities. These activities include: science, cooking, arts and crafts, and team sports. Summer activities give the children opportunities to both enhance skills they already have and to explore and develop new interests and skills. Weekly field trips are primarily on Tuesdays and Thursdays which include: roller skating, ice skating, swimming, miniature golf, movies, museums, the zoo or the aquarium.

MEDICATION

The Killingly Childcare Program has staff who are qualified to administer medications to children. **Parents MUST provide an authorization form signed by their child's doctor and themselves.** This form must include the following:

name of the medicine

the dosage

time(s) of day it is to be administered

time span in which the medicine is to be taken

Medications must be delivered to the program in pharmacy prepared containers and labeled with the name of the child, name of the drug, strength, dosage, frequency, doctor's name and the date of the original prescription.

POLICY STATEMENTS

Hours of Operation

The KCP K-4 will provide care for children in grades K-4 during the hours before school from 6:30 - 8:30 a.m. and after school for grades K-4 from 3:15 -6:00 p.m. The program will also operate full day schedule during school vacation and staff development days. (Check program calendar for current year's closings.)

The KCP 5-8 provides care for students grades 5-8 in the afternoon from 2:15 p.m. to 6:00 p.m. Friday Early Release Days and Half Days we are open 12:15 p.m. till 6:00 p.m. Full days we are open 6:30 a.m. to 6:00 p.m. except snow days.

Daily Sign-In

A parent or his/her designee must enter the building in the morning and sign his/her child in, as well as sign out at the end of the day. A staff member will take the attendance of all children as they enter the program in the afternoon.

If a person other than a parent picks up a child, he/she must already be on the alternate pick-up located in the child's file. To secure your child's safety, all parents or alternative pick-up designees must be prepared to provide a photo I.D. upon to staff upon request before the child is released from staff's care and **MUST BE AT LEAST 18 YEARS OLD.**

WE WILL NOT RELEASE ANY CHILD WITHOUT THIS VERIFICATION

Change of Hours

If a parent wishes to decrease or change the number of days or hours a child is enrolled in the child care program, **a written request must be given to the Head Teacher at least two weeks in advance of the requested change. A form is available from KCP Staff.** Authorization of the change will be made at the discretion of the Coordinator. Decisions will be based on availability of slots, and parent's and child's needs.

Absences

When a child will be absent from school, please notify your child's appropriate program.

KMS Site 860-779-6696

KCS Site 860-779-6766

KIS Site 860-779-6711

If a child is absent from the program for more than one week and we have not been notified, a follow-up phone call will be made to the parent. If no contact is made, we will assume that the family no longer needs child care services. A "termination of services" notification will be sent to the parent(s). Please check your email.

We also request that if a parent picks up his/her child at school, on a day that he/she is scheduled to attend the program that the parent notify the program. We must be able to account for all children, and we will begin calling the Authorized Contacts if we are not notified of the student's absence in advance. We want to be certain that parents are aware of where their child is when they should be with us. We will follow school policy if we are unable to locate the child or contact you.

Enrollment Priority

Enrollment is restricted to Killingly residents. Priority is given to those families requiring child care in order to may remain employed, participate in job training, or attend school. Children of parents who do not fit into one of the three priority categories may be enrolled when slots are available. However, these children remain in the program only as long as slots are **not needed** to accommodate children of working parents. We will make every effort to accommodate requests, and will hire staff as needed. This may result in a slight delay in placement.

Enrollment Requirements

Enrollment Packet Completed

Community Field Trips Form

Release Form

Physical Form (obtained from school nurse)

Medical Release Form

Canceling Enrollment

If a parent chooses to cancel enrollment, written notification must be given to the Head Teacher two weeks in advance. You will be responsible for charges for two weeks after notification. For accounts that are current the deposit should cover these two weeks.

CHILD CARE FEE POLICIES

Fee Structure

| <u>KCP K-4 Rates</u> | Daily | Weekly |
|-------------------------------|---------|----------|
| Before School (6:30-8:30 AM) | \$10.00 | \$40.00 |
| After School (3:30-6:00 PM) | \$12.00 | \$50.00 |
| Morning and After | \$20.00 | \$80.00 |
| Summer Rates | \$30.00 | \$108.00 |
| <u>KCP KIS 5-8</u> | | |
| After School (2:15 - 6:00pm) | \$15.00 | \$60.00 |
| Summer Rates | \$20.00 | \$90.00 |

Payments

Payments for child care are due one week in advance. At the time of enrollment, you will be required to pay for the first week's fee in advance and continue payment on the Friday preceding the upcoming week. If a child is not in attendance on the day of the week that he/she has been scheduled to attend, the fee remains the same for that week. Your fee can be viewed as tuition. **You are required to pay the fee even if your child does not attend due to sickness, holidays or school closings.**

Non-Payment of Fees

If after a period of two weeks, a family neglects to submit fees or a child is absent without notification, there will be a written warning regarding termination of the child from the program. Written notice is given via statements and comments. We will then allow one more week to pass and if we still have not received payment, the child will be terminated and his/her name taken off the enrollment list. IF you need a payment plan, please see the Head Teacher or Coordinator.

Parent(s) Vacation

Each family is granted one week of vacation **after one year enrollment** where no fee will be charged. The child **must not** be in attendance during this week. (**A year is defined as that twelve month period, starting from a child's initial enrollment date**). If a child is enrolled for five days per week then this translates into five day vacation week. If a child is enrolled only three days per week, then a family is granted a three day vacation week.

PLAN FOR CHILD AFTER HOURS

The Killingly Childcare Programs close at 6:00 p.m. If, for any reason, a child cannot be picked up by 6:00 p.m., he/she will be cared for by two (2) staff members or the program director until you or your designated alternate pick-up adult arrives.

We ask that the parent notify the program that he/she will be late and the nature of the emergency situation. If a person is late more than twice, without a reasonable excuse, the child will be subject to dismissal from the program. If we are unable to reach you or your designees after reasonable efforts, we will assume that a crisis has taken place and contact the State Police for assistance.

When a child is picked up late, there will be a late fee imposed upon the parent responsible for tuition. The rates for such a fee will be as follows:

0-5 minutes \$10.00

10-20 minutes \$20.00

Each additional minute is \$2.00 per minute.

New!!!

We will be using the program “Remind” on your cell phone to notify parents of any changes or important information. Remind protects your privacy, and is only used by Staff to send out important messages.

DISCIPLINARY MEASURES

At the Killingly Childcare Program, discipline will be handled in a positive manner, which is consistent with the developmental need of the individual child. Clear behavioral limits will be set and reasons for rules and regulations explained. We will encourage children to develop self control and to handle conflicts in peaceful, effective ways. If necessary, a brief period called "time out" allows a child to reflect upon the negative behavior and to formulate, along with a teacher's help, more appropriate forms of behavior. Subsequent behavioral issues may result in additional time outs, sitting out from activities, or time in conference with the Head Teacher.

Occasionally, some children experience difficulty adhering to the rules of the program. The Coordinator will schedule a time that he/she, the Head Teacher, the parent and the child can sit down, discuss the problem, and develop a plan to correct the problem. The school social worker may be part of this team. If after a specific time (determined by the team), a child's problems or behaviors infringe on the safety of the others, despite the efforts of the staff and other team members, the program reserves the right to expel the child from the program. Parents will be given two weeks notice in order to locate other child care services. If, however, the child is physically abusive to staff or other children, the expulsion will be effective immediately.

The State of CT, Department of Education's requirement for reporting of disciplinary offenses involving in-school suspension, out-of-school suspension or expulsion, applies to all programs operated by a public school system (including summer session).

At the start of the school year and summer session, we review all school/program rules with children. On occasion, a child may tell us that he is no longer in school and does not have to comply with established rules of conduct. Please stress upon your child the importance of adhering to all school policies – regardless of the time and location of the activities.

BEHAVIOR EXPECTATIONS

- Respect peers and adults
- Respect personal property
- Self control in individual and group situations
- Keep hands and feet to self

BEHAVIOR NOT TOLERATED

- Destruction of school or personal property
- Physical violence towards another individual
- Verbal or physical harassment
- Verbal threats
- Inability to follow rules

PLAN FOR PARENT INVOLVEMENT

The Killingly Childcare Program will involve the parents of the children in our care in as many ways as possible. Partnerships should exist between program staff and families. Each must understand and reinforce the other if the children's interests are to be adequately addressed.

Morning/Evening Contact

It is the policy of the program to encourage all staff members to communicate with parents. The most natural time for friendly and informative communication is in the evening when a child leaves. It is during this time that parents and staff can discuss program activities and child and family needs.

Parent Bulletin Board

A bulletin board displays information, policies and notices which would be of interest to the parents. (Important information is sent home with children as needed.)

Parent Notices

During the school year notices will be sent to parents to keep them informed about program activities and policy changes. A complete book of "summer" activities and field trips will be distributed in June.

Parent Visits

We maintain an "open door" policy. A parent may visit the program at any time. We do have an expectation that visitors are courteous and do not interrupt or disturb the children or staff in the program; otherwise, they may be asked to leave. Head Teachers and the Coordinator are available to meet with any parent who requests a meeting. We do ask that prior notice for these individual meetings be given.

Family Events

Efforts will be made to involve parents with the extended activities of the programs. Activities might include: holiday parties, field days and children's presentations.

HEALTH POLICIES/PROCEDURES

Children who are not well enough to participate on an average busy day, at the Killingly BASP, should remain at home under the care of a parent or other responsible adult. Children who become ill during program hours will be placed in isolation under the care of a staff member. Staff members will contact parent(s) to pick-up their child from the school under any of the below circumstances, but not limited to:

| | |
|-------------------------|-----------------------|
| Fever of 100 ° or above | Head Lice |
| Diarrhea | Strep Throat |
| Vomiting | Chicken Pox |
| Eye Infections | Hemophillus/Influenza |
| Impetigo | Scarlet Fever |

Coughs and colds can best be judged by parents or staff as to their severity and the necessary treatments and precautions where other students are in close contact; i.e., using tissues, extra hand washing, special seating arrangements, etc. However, if the child is so uncomfortable, contagious, or coughing so frequently that he/she is disturbing to others around him/her, he/she should remain at home.

Children enrolled in the program must be potty trained. While we appreciate that an occasional accident may happen, we must also be aware of the health and safety of our children and staff.

SERIOUS INJURIES

Should a child receive a serious injury which requires medical treatment by a physician or other medical professionals, the appropriate medical designees will be contacted immediately. If transportation is needed in potentially life threatening situations, 911 will be notified to transport the child to an area medical facility. Parents will be contacted immediately following the contact of outside medical professionals.

In the case of non-life threatening injuries, the child's parent will be notified. Should the child's parent not be reached, the child's physician and or dentist will be consulted. If need be, the school physician will be consulted. Should outside medical treatment be needed, the child's parent or authorized adult will be contacted to transport the child to the appropriate medical facility.

NUTRITION

Breakfast - When school is in session, the K-4 children in the morning program are served breakfast by the KMS kitchen staff. Breakfast consists of a choice of cereal, bagel or muffin and juice and milk. Thursday is "sticky day" - waffles or french toast with maple syrup.

Snack - Daily at approximately 3:30 p.m. KCP provides a daily snack consistent with the USDA Snack Program.

Vacation Days Only

Lunch - You **must** send a lunch and drink with your child. The program has access to a cooler so lunches will not be spoiled. We ask that you **NOT** send candy or soda in your child's lunch or any food that needs to be heated.

Summer Days

Note: If your child is allergic to any food items, please make sure that you bring it to the attention of the staff.

CLOTHING & PERSONAL BELONGINGS

The children have an opportunity to go outside every day. Make sure all children have sneakers every day. Please send clothing appropriate for the weather. During the winter months, children must have a coat, hat, mittens and boots to go outside. During the summer months, please make sure to pack a change of clothes/appropriate bathing suit, sneakers and sunscreen.

Please label all of your child's personal belongings, especially his/her lunch boxes, backpacks and coats.

The program is **NOT** responsible for the children's personal belongings such as: toys, games, sport cards, walkmans, etc. Please discourage your child from bringing in anything that could be easily broken, lost or stolen

COMPLAINT PROCEDURE

Most problems within a day care center are non-life threatening and can be resolved by:

Discussing the problem with the Head Teacher.

Discussing the problem with the Program Coordinator.

If the problem is not resolved, we may need to schedule a meeting with the Assistant Superintendent of Schools.

Thank you for sharing your child(ren) with us.
