LUNCH & LEARN: COME SPEAK TO OUR STUDENTS

The Lunch & Learn Program as part of the College Placement Office offers Marianapolis students the chance to speak with professionals about his or her career. Lunch & Learn sessions are offered in a discussion style format where guests offer information and students are able to ask questions. We are seeking interested alumni who would like to share their experiences with our students as they navigate their college decisions and interests in majors. This year, students are especially interested in learning more about the medical field (including physical therapy/sports medicine), engineering, and business management but we would love to learn more about careers outside of these as well. If distance is an issue, we can arrange a WebEx or Skype Lunch & Learn.

If you are interested in speaking at a Lunch & Learn or would like to learn more about the program, please contact Samuel Sadowsky, Director of Annual Giving, at ssadowsky@marianapolis.org.
