

Stoller Middle School

Activity Bus Request

Stoller Middle School has an activity bus available on Tuesdays and Thursdays after school for current bus riders. There is no activity bus service for students living in the Walk Zone.

The activity bus leaves Stoller at 5:10 PM.

Middle and high school after school activities buses will feature “transit style” bus routes for students. Students will be assigned stops within ½ mile of their homes. All stops will allow students to utilize sidewalks and not have to cross busy streets. The majority of stops will be located near major housing areas (apartments, community centers or neighborhood elementary schools). The advantage to having assigned stops is the ability for parents to access the [My Stop App](#) to track their child’s bus.

Please complete this form ONLY if your child plans to ride the activity bus on a regular basis. The activity bus route will be created depending on where students are located. The Main Office will notify you regarding your child’s assigned bus stop.

I give permission for my child, _____,
ID# _____, to ride the Stoller Activity Bus. I understand that it is my child’s
responsibility to inform me of the days that they will be staying after school for activities.

My child is participating in the _____ club/activity.

My student will ride the Activity Bus on (check all that apply):

- ☐ Tuesday
☐ Thursday

Parent/Guardian Signature: _____ Date: _____

Student Signature: _____ Date: _____

Please turn in your completed request form to the Main Office. This request form must be approved before you are able to ride the activity bus. Please note it typically takes a week to process a request for a new rider.
