

# Dear ASFM Community,

Since 2016, ASFM has sponsored the Edge of Excellence Annual Giving Campaign as a way to create new spaces in an accelerated manner and to provide our students with opportunities to innovate, create and be a step ahead in education. This Campaign is a 6-week long effort led by the Alumni and Development Office and a team of ASFM volunteer parents. Thanks to the generosity of our donors, we have raised over \$32 million pesos and have created ten new spaces with three more to come during the summer of 2020.

We kindly invite you to join the generous group of ASFM parents, teachers, staff, alumni and friends by supporting the Edge of Excellence Annual Giving campaign and considering a gift\* to our beloved school.

Every gift, no matter the size, is an expression of your support to the education of your children, your love of ASFM and your strong conviction to the school's Mission and Vision.

\* All donations are tax deductible according to Mexican legislation

## Thank you in advance!
