### Mission Statement

Stevenson is premised on a vision of education as the means by which we discover the world and contribute to its transformation. We believe that one's education is best pursued in the company of others, for others' benefit as well as one's own. A selective college-bound boarding and day school, Stevenson commits to three aims:

- to prepare students for success in college and beyond;
- to foster their passion for learning and achievement;
- and to help them shape a joyful life.

### The School 2019-2020

Founded in 1952 as a boarding school for boys, Stevenson is a co-ed independent school with day students in PK-Grade 8 (Carmel Campus) and boarding and day in grades 9-12 (Pebble Beach Campus).

- The Upper Division (9-12) of 500 students includes 225 day students and 275 boarding students, from California as well as 16 states and 18 countries around the world
- 44% of students receive financial aid
- 27% are students of color
- 43 faculty members hold advanced degrees
- The student/teacher ratio is 10 to 1
- Stevenson is accredited by the Western Association of Schools and Colleges for a seven-year term through June 2023

### Grading & Credits

STEVENSON DOES NOT RANK STUDENTS

IN FALL 2019, STEVENSON TRANSITIONED TO A SEMESTER ACADEMIC CALENDAR. OUR PRIOR TRIMESTER CALENDAR IS STILL EVIDENT ON OUR TRANSCRIPT.

In order to ensure a balanced life, students are generally permitted to enroll in only five academic courses per term, no more than three of which may be AP or honors courses.

- Grading is awarded using a scale of A-F
- Honors and AP courses receive extra weight of 0.3 grade points
- Plus and minus grades equal +/- 0.3
- All letter grades are included in the GPA
- One credit is granted for full-year courses

### Graduation Requirements

Stevenson School students must earn 20 credits currently distributed as follows:

- English (4)
- Mathematics (3)
- History (3)
- Laboratory Science (3)
- World Languages (3)
- Arts (1)
- Electives (3)

### Standards of Conduct Reporting

If, while attending Stevenson, a student has a standards of conduct violation as deemed by a Judicial Committee hearing or is put on probation by the dean of students and the president, we require the student to indicate this when asked on their application and write a letter of explanation without exception. The College Center will mail this letter to the colleges to which the student has applied.

### Course of Studies

Stevenson offers a balanced and rigorous liberal arts course of study designed to develop fundamental academic skills while fostering inquiry, creativity, scholarship, and a love of learning.
