Dear Beecher Road School Families

WELCOME BACK AGAIN. It was terrific to see so many parents at our Open House events as well as at the PTO Welcome Back Ice Cream Social. The School Administration sends special thanks to all our families for their strong participation in these opening events. The school year is now in full swing as the memories of summer are fading.

Each year, this late September edition of **Parent Update** highlights our Board of Education members. These nine dedicated and talented people are elected or appointed to these volunteer positions. They devote a significant amount of time in both regular and subcommittee (policy, curriculum, facilities, finance) meetings in support of the best educational opportunities for our students. Learn about them on page 2.

I look forward to seeing you in school during the year!

Robert "Bob" Gilbert

Your opportunity to help task force

THE WOODBRIDGE BOARD OF EDUCATION has formed a short-term budget task force that will meet several times this fall. The task force will be made up of representatives from parents, BOE, certified and non-certified staff and administration. It's an opportunity to share budget information as well as exchange ideas. While the meeting schedule has not yet been established, it is anticipated that meetings will take place in the very late afternoon or early evening.

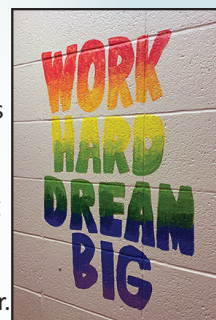

The Board is looking for two parent representatives with flexible schedules to serve on this task force. Interested parents should email Marsha DeGennaro at mdgennaro@woodbridgeps.org no later than Thursday, October 3, at 9 AM. If more than two parents express interest, a lottery will take place.

WORK HARD – DREAM BIG SETS TONE FOR NEW SCHOOL YEAR

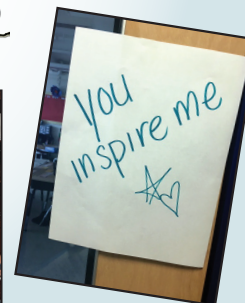

and appreciation have been sent among the staff. Also, positive and encouraging messages for students were painted on walls. These and surprise culinary treats are just a few of the ways we are experiencing positive climate and energy in the school. And as always, the *PTO Ice Cream Social* brought our entire school community together – students, parents and staff – to celebrate the start of another school year.

WITH THE SCHOOL YEAR fully underway, the collaborative efforts of the faculty, staff and administration are up and running. The first day of school started with students walking into the new year greeted by the sound of music and celebratory bubbles. As the year has progressed random messages of kindness

Clockwise from top: Bubbles say "welcome back" on the first day of school – Positive message for all – Random act of kindness from one teacher to another – Nothing says kindness like unexpected goodies delivered on a cart. – Rep. Themis Klarides and Sen. George Logan (center) join the fun at the PTO Ice Cream Social

Test results to be presented

PRICIPAL SHERMAN will present the school's annual testing report to the BOE at its Oct. 21 meeting. The report focuses on the results of the state's spring 2019 *Smarter Balanced* tests that assess students in grades 3-6 in language arts and math. Individual results were mailed home to parents in mid-September.
