

**Home Hot Spot (WiFi) Parent/Guardian Request**  
(Please complete one form for each student)

Student Name: \_\_\_\_\_  
First Last

We are committed to ensuring that every middle school student in the Renton School District has access to WiFi in their homes.

**Do you consistently have access to WiFi at home?      YES      NO**

Signed by parent/guardian: \_\_\_\_\_

**If you answered NO above, we will provide you with a wireless hotspot that provides free access to the internet at home if you complete the information below:**

Parent/Guardian Name \_\_\_\_\_  
First Last

Relationship to Student \_\_\_\_\_

Student Date of Birth \_\_\_\_\_ Student Age \_\_\_\_\_

Student Grade \_\_\_\_\_ Student ID \_\_\_\_\_

School:  Dimmitt M.S.       McKnight M.S.       Nelsen M.S.       Risdon M.S.

I give permission for my student, \_\_\_\_\_, to participate in the Renton School District Home Access Project.

I certify that my student does not have internet access in the home and that the RSD Home Access Project will be the sole source of my student’s in-home internet access. A lack of home access means: a) no internet access in the home or b) dial up internet at home.

I understand that my student will receive a home hot spot device to provide internet connectivity to their district-provided Chromebook. (The hot spot service is designed to provide students with enough access to complete school work with a small amount available for limited general household usage. Each of the district’s wireless carriers have different service limits, but once reached, internet speeds will drop dramatically so care should be exercised to prioritize academics.)
