**Welcome**

**Approval of April Minutes:** Unanimous approval

**SIP Update/Financial Report:** We are still testing and progressing towards goals. We've spent almost all of the allocated funds. There is a few hundred dollars left.

**SB 149 Plan:** \$ that is legislated to come to schools. \$110.00/student. District took 25% to put into teacher salaries and the rest is to be used to help the school with STEM, Behavior and Curriculum. This money will be used to invest in our teachers and their time to prepare for and instruct students, Establish an Infinity Learning Lab, provide software, hire 3 positions to help with tech/student support aides and a curriculum technology aide. There will also be some funds used to support the VEX IQ robotics advisor. It was suggested that some of the remaining funds be used to provide various support and personnel for the 6<sup>th</sup> graders and their transition and preparation for jr. high, as well as social, emotional, physical growth and success.

**Elections:** The nomination papers have gone home or will go home in the Monday folders. The rest of the schedule will follow the outlined procedures. We have 5 – 2 yr positions to be filled and 1 – 1 year to be voted in. Crystal may be moving. If she does there will be another 1 year position available to be voted in.

**Other Topics:**

Yearbook: It's great that parents have access to paying for the yearbook online.

**Future Agenda Items:**
