UPPER SCHOOL CURRICULUM (GRADES 9-12)

Gilman offers a highly rigorous college-preparatory curriculum. Students in the ninth and tenth grades take six courses each year. Juniors and seniors must take at least five courses each year.

Advanced Placement (AP) courses are offered in some disciplines. Students must receive departmental approval to enroll in an AP class. Due to scheduling constraints, it is not always possible to honor each student's request.

Departmental philosophy precludes offering an honors track in English or history.

Advanced Placement courses at Gilman are offered in:

- Art History
- Biology
- Calculus (AB/BC)
- Chemistry
- French Language
- Latin
- Spanish Language
- Spanish Literature
- Statistics

Honors courses are offered in:

Sequential Disciplines

- Algebra II
- Biology
- Chemistry
- French
- Geometry
- Latin
- Physics
- Precalculus
- Spanish
- Studio Art

Electives

- History of Science
- U.S. History Since 1945

English Honors Paper: a one semester, ¼ credit course of independent study. Approved seniors, under the guidance of the English Department, will compose a 15- to 20-page scholarly, critical essay. Final assessment includes an oral defense.

COORDINATE PROGRAM

The Coordinate Program allows students to take courses at The Bryn Mawr School (BMS) and Roland Park Country School (RPCS). **With approximately 200 course offerings among the three schools**, including more than 40 senior English electives, this program with BMS and RPCS provides Gilman students with many opportunities to explore the benefits of an expansive curriculum in a co-educational environment.

In addition to AP classes offered at Gilman, students may also enroll, schedule and departmental approval permitting, for the following AP classes through the coordinate program:

- Chinese
- Comparative Government
- Computer Science
- Economics
- Environmental Science
- Music Theory
- Russian
- U.S. Government and Politics
- World History

For more information about our course offerings, please see our [Curriculum Guide](#).

MEMBERSHIPS

Global Online Academy (GOA), a consortium of the world's leading independent schools, whose mission is to translate into online classrooms the intellectually rigorous programs and excellent teaching that are hallmarks of its member schools. GOA grades are not included in a student's grade point average.

Cum Laude Society (CLS), an academic honor society, inducts members based on the motto Areté (excellence in scholarship and moral virtue), Diké (justice), and Timé (dignity and honor). CLS inducts students in the fall of the senior year and an additional group of inductees in the spring of the senior year. An association of 382 chapters, Cum Laude members are found in independent and public schools in the U.S. and around the world.

GRADUATION REQUIREMENTS

- 4 years of English
- 3 years of Mathematics
- 3 years of Foreign/Classical Language
- 2 years of Lab Science
- 3 years of History
- 4 years of Athletics
- 50 hours of community service completed within any 14-month period
- 21 credits total required for graduation

In order to satisfy the State of Maryland graduation requirements, students must take a total of six credits of math and science combined.

Athletics are co-curricular within the Gilman program, and are considered the last class of the day. Students are required to participate in three seasons of interscholastic or intramural athletics. Seniors may opt out of one season.

GRADING

- Grading is either **numerical or Pass/Fail**; all courses are either one or two semesters in length.
- **Rank:** Because of the small size of the graduating class, Gilman does not rank its students.

Grading Scale	97-100	A+	80-82	B-
	93-96	A	77-79	C+
	90-92	A-	73-76	C

	83-86	B	BELOW 70	F

THE GILMAN FIVE

The values of Honor, Integrity, Respect, Humility, and Excellence are emphasized throughout school life and provide a foundation from which the School's mission is fulfilled.

HONOR ROLL

The Gilman honor roll recognizes students who have attained an average of 85% or higher.
