Ansonia High School - P.A.C.E. Program

Program Theory

1. Student is identified as at-risk of dropping out
2. Student is referred to the P.A.C.E. program, and begins a probationary period.
3. Student engages in classes which are offered in a smaller, more structured setting, with intensive support.
4. Student graduates high school with the skills necessary to continue in either post-secondary education or a career.
5. Student is offered credit recovery options including work and volunteer credit programs and independent study coursework.
