Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for the Madison Center. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Ms. April Ritz, Program Administrator, for assistance.

The AER is available for you to review electronically by visiting the following web site

<http://www.wyandotte.org/madison/madison-aer-reports/>, or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

State law requires that we also report additional information.

The Madison Center serves students from the seventeen downriver school districts. Students are referred by their local school district's special education director per Michigan Special Education Administrative Rule 340.1702 (Students with a Disability).

The Madison Center's School Improvement Plan (SIP) incorporates Michigan Department of Education's Common Core Essential Elements for English language arts and mathematics. For the 2016-2017 school year, the SIP continued to focus on reading, writing and math as well as integrating assistive technology and communication. A school wide Positive Behavior Support (PBIS) program is also integrated in the SIP.

For the 2016-2017 school year, The Madison Center served students with severe cognitive impairments, severe multiple impairments and moderate cognitive impairments. Services are provided for students ranging from 3 to 26 years of age. Staff work with students and families to develop an individualized educational plan (IEP) to meet the needs of each student and address each student's individualized goals and objectives.

639 Oak Street • Wyandotte, Michigan • 48192 • 734.759.5000 • FAX 734.759.6009 • www.wyandotte.org

It is the policy of the Wyandotte Board of Education that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination with respect to any educational program, activity, or employment.

To access a copy of The Madison Center core curriculum, go to www.michigan.gov/mde and click on Common Core Essential Elements. The student's individual annual goals and objectives are directly selected from the curriculum menu. The Essential Elements are modified from the state core curriculum for the special education population serviced by the center programs, reflecting each student's present level of academic achievement and functional performance.

For the 2016-2017 school year, 91% of the parents/guardians attended the students' annual Individualized Educational Program Team meeting. Teachers communicate with parents/guardians/caregivers on a daily basis via phone, email, communication folder, etc.

The staff here at the Madison Center believe that all students can learn and we prioritize our work to ensure that we are focused on the right work that will move our mission and vision forward. We operate under a mutually-agreed upon set of values that focuses on students first and strive for high levels of student engagement.

Sincerely,

A handwritten signature in cursive script, appearing to read "April Ritz".
