Cynthia Anderson called the meeting to order and introductions were made.

- Kara Ihedigbo of HCPHES was unable to make the meeting and her presentation was deferred. Anne Brown, LPISD Strength and Conditioning Coach presented an interactive overview of the LPISD Strength and Conditioning Program.
- Ralph Wilkins, Assistant Director of Nutrition reported that staff attendance at the Employee Wellness Fair was up by over 100 attendees. He reported that holding the fair immediately after convocation increased attendance.
- Laura Lynch, LPISD Nurse Coordinator presented information regarding the district's Extreme Heat Protocol. It was decided that the SHAC Health Services Committee will meet to review and assess the need for revising the Extreme Heat Protocol. Mrs. Lynch will notify all interested once a meeting date is set.
- A parent initiated discussion regarding physical movement for students at the elementary level. It was decided that the PE Committee would convene to explore this issue and make recommendations regarding this at the next SHAC meeting.

The meeting was closed and the next SHAC meeting date is November 12, 2018.
