Meeting Minutes
October 9, 2017

The meeting began at 4:05 pm

Ms. Anderson greeted the attendees. The April meeting minutes were read and accepted without objection.

Dr. Esther Dubrovsky gave a presentation on breast cancer awareness and answered many questions.

Ms. Rayna Headrick educated the attendees on the uses of essential oils.

Ralph Wilkins gave a report on the attendance for the 2017 employee wellness fair and took suggestions regarding vendors and venues. It was noted that parking was a negative factor at this year's event.

Mr. Todd Schoppe proposed an elementary track and field event, which was well-received by the group. Concerns included how the event would impact testing, as well as transportation to and from the event.

The meeting was adjourned thereafter.
