

La Porte ISD School Health Advisory Council Meeting
Meeting Minutes
April 17, 2017

The meeting began at 4:05 pm

The minutes from the February 2017 meeting were read and accepted without objection.

Welcomes were made by Ms. Cynthia Anderson. She stated the primary goal of the meeting was to finalize the district wellness plan for audit in the Fall of 2017. AS a group, the SHAC read through board policy FFA(Local) and the template for FFA(Regulation). Several goals and objectives were created using the template, particularly in the "safe environment" subsection. The PE subcommittee stated that they will meet before school ended to provide more goals and objectives.

A representative of the health committee stated that Operation School Bell would be distributing hygiene packs to the LPISD nurses.
