

Study Island Student Directions

To get started:

- 1) Go to www.studyisland.com, click on log in, and then click school on the right.
- 2) Log in with the same username you use for PowerSchool and your password is your six-digit lunch ID (123456). If you do not know your lunch ID, log into PowerSchool Unified Classroom, click on *Quick Links*, and choose *PowerSchool Portal*. It is next to your name at the top of the screen.
- 3) If a class has been set up for you student, click on *My Classes*, and choose the appropriate class. If not, skip to the paragraph below.
- 4) Click on the assignment.

If you would like to practice a topic on your own, you can choose either CT Programs (traditional courses) or you can choose US Programs (AP, SAT, ACT, etc.). Once in the program, you can select the topic you want to practice. Please note in the bottom image, each area of practice has a brief lesson you can click on to review those skills.
