ATTENDANCE POLICY

School attendance is the responsibility of the parent/guardian and the cadet.

Sarasota Military Academy keeps accurate records of cadet attendance and parents/guardians may view it daily online via the Family Access Portal located on the school website or www.sarasotacountyschools.net.

Florida Statute 1003.24 states that the parents/legal guardian of a child of compulsory age is responsible for the child's daily school attendance. School staff, parents, cadets and appropriate state agencies are expected to work together to ensure that all applicable school attendance laws are obeyed, including but not limited to, referral to the state designated agency for possible court action for truancy.

Report to: Main Office (Urfer Hall):

- Late to formation - Late to class
- Late to school - Leaving school early

Attendance Office (3rd Wing, Room 34):

- Excuse notes for absences
- Excuse notes for previous late arrivals to school

Absences:

- All absences are considered **unexcused until the school receives written explanation from the parent/guardian within 3 days** following the absence.
- An Administrator or designee has the authority to determine whether or not an absence is excused.
- Over nine (9) excused absences per semester for illness OR eighteen (18) for illness in a school year is considered excessive.

- Cadets whose absences for illness exceed these numbers must have a parent/guardian statement on file at the school explaining such absences or tardiness. Once a cadet's absences for illness are excessive without information on file, administration may require a doctor's statement for further absences to be excused.
- Administration has a legal right to ask for a written medical excuse when excused absences for illness are excessive.

Cadets have a RESPONSIBILITY to:

- Attend classes daily and be on time.
- Have parent/guardian **call 941-926-1700 ext. 238 to notify Attendance Office when absent. Cadet still needs a written note within 3 days to excuse absence.**
- Deliver documentation (written note) of absence to Attendance Office prior to formation, during lunch, or after school within 3 days of return.
- Request make-up assignments from teachers upon their return to school from absence and complete it within a reasonable length of time to be no more than one full calendar day for each day missed.

Excused absences include:

(Written note MUST be provided within 3 days.)

- Cadet illness: **written** documentation by the parent/guardian or medical doctor. *No emails or faxes please.*
- Observance of a religious holiday or service that is recognized as such by members of the faith. Must provide written documentation from parent/guardian.
- Medical/Dental appointment **only with a doctor's note.**
- Death in the family. Written note from parent/guardian.
- Subpoena by law enforcement agency or mandatory court appearance. Hard copy of subpoena.
- Other absences beyond the control of the parent or cadet, as determined and approved by the Administration. Written note from parent/guardian and as determined and approved by administration.
- Leaving class early with written permission from parent/guardian, or administrator.
- Pre-arranged absences in writing from parent/guardian, **5 days** prior to absence, with administrative approval.

Excuse Notes:

- For an excuse note to be acceptable, it must have the following:
 1. Date that the note is written
 2. Cadet's first and last name
 3. Date(s) of absence(s) and/or tardiness, as well as, the time of arrival and/or departure if applicable.
 4. Reason for absence, late arrival, or dismissal
 5. Parent/guardian signature.

- Out of school absences for three or more days that are prearranged must be approved in writing by Administration at least **5 days** prior to absence and coordinated with the teachers. The attendance office must be notified of these planned absences in writing at least **5 days** prior to absence.
- Prolonged absences, **5 days or more, that occur for medical reasons must be documented by a physician.**

Unexcused Absences:

All absences, which have not been specifically identified as excused are unexcused.

Procedures for Late Arrival/Early Departure:

- Cadets who arrive late to school must first sign in at the main office and must provide a written note from a parent/guardian or a doctor's note with the reason for the late arrival. If no note is present, a Discrepancy Report will be given.
- Cadets who leave school early for a doctor/dentist appointment, **must bring a doctor's note** when they return. The absence will then be excused.
- Cadets who need to leave school early must bring a written excuse note from a parent/guardian giving permission for the early departure, along with a reason. The cadet **must sign out** in the main office.
- **Cadets may NOT sign themselves out of school without parental permission regardless of reaching the age of 18.**
- If parent/guardian is present, they must sign the cadet in/out. A valid driver's license is required.
- Cadets who **leave school early due to illness must be cleared and signed out through the clinic.** In this case, a note will **not** be necessary to excuse this early departure. This will be excused automatically.
- If a parent/guardian comes to school to pick up a sick cadet, they must first report to the main office before signing the cadet out from the clinic for the day. A valid driver's license is required.

At NO time does verbal permission from a parent/guardian excuse a cadet from missed classes. Verbal permission only allows the cadet to leave the school grounds early. All subsequent time missed in classes will be considered UNEXCUSED until receipt of a written note from the parent/guardian.

Dual Enrollment:

Cadets who **arrive late or leave early due to attending STC or SCF must sign in/out every time.** Also they, must have a Dual Enrollment Sign-out form signed by a parent/guardian on file with attendance office.

Tardiness:

Any cadet arriving to school after 7:10am, after the call to formation, is considered tardy. Cadets **not in the classroom** when the bell rings at 7:25 are considered tardy. Cadets will then be marked Tardy unless they provide a valid hall pass or an Attendance Clearance Form that they obtained in the main office.

Tardy Procedures:

- When the tardy bell rings, teachers will close the door and not admit cadets to class.
- Cadets will be allowed one (1) excused emergency tardy per period each quarter, without disciplinary consequence, which will be documented by the teacher. After this one excused tardy, cadets will be sent by the teacher to the main office for a Discrepancy Report and consequences will be assigned.
- Administration will schedule the detention to be served by the cadet. This is the cadets' official notification of the detention and failure to serve will automatically result in an AM/PM detention.
- Tardies will reset at the end of each quarter.

Unexcused Tardies (cumulative, not per class):

1st Tardy: Student conference/Parent Contact

2nd Tardy: Detention/Parent Contact

3rd Tardy: Extra School/Parent Conference

4th Tardy and Beyond: Recommend to SWST/Refer to Truancy Officer

Truancy:

Truancy is defined as being absent from school without parent/guardian permission or knowledge and without permission from school officials. Cadets who are truant will face consequences according to the SMA Discipline Policy (see Discipline Policy for further detail).

Any cadet who has 15 unexcused absences, excluding suspensions, within 90 calendar days, with or without the knowledge or justifiable consent of the cadet's parent or legal guardian, is considered to be a habitual truant. The county truant officer will be contacted to investigate habitual truants and the cadet may lose their Driver's License.

Cadets have a RIGHT to:

- Information defining rules for absences, tardiness, withdrawal and makeup assignments.
- Appeal a decision about an absence.
- Make up all work missed during an out-of-school suspension, including tests and quizzes. In the case of unexcused absences, the makeup policy outlined in the teacher's syllabus will be followed. A teacher may deduct up to 30 percent from the earned grade for the work made up.

Appointments:

Whenever possible, appointments for cadets; i.e., doctor, dentist, etc., should be made after school hours so as to not interrupt the learning process. **If appointment is during school hours a doctor's note is required.**

Drivers' License Law:

Cadets between the ages of 14 to 18 years of age who drop out of school or who have excessive unexcused absences (15 in a 90 day calendar period) will be reported to the Department of Highway Safety and Motor Vehicles by the county truant officer. Attendance will be monitored by period. Cadets who hold a Florida driver's license will have their license suspended. Cadets who have not yet received their driver's license or permit will find they are unable to obtain one when they apply.

Application for reinstatement of the driving privilege can be made after the cadet has thirty (30) consecutive days of attendance with NO unexcused absences. With each excused absence, 1 day is added to the 30 consecutive days. A hardship appeal process does exist. A cadet must see the attendance clerk to begin the process.

PERIOD 2	8:10am - 8:50am
PERIOD 3	8:55am - 9:35am
PERIOD 4	9:40am - 10:20am

FORMATION

Each school day begins at 7:10 am, with a MANDATORY morning formation for ALL cadets. All belongings should be left in the first period classroom prior to formation.

BUS TRANSPORTATION

- School bus transportation is a privilege, not a right. This privilege can be denied for unacceptable bus behavior.
- Parents/guardians have the responsibility for the control and direction of cadets at the bus stop. All cadets have responsibilities regarding their behavior on the school bus and at the bus stop.
- Refer all questions to the Route Supervisor.

CELL PHONE/ELECTRONICS USAGE POLICY

Communication/Electronic Devices

- Laptops, tablets, cell phones, smart watches, Google Glasses, or other wireless communication devices shall not be used during the school day. These electronic devices must remain off and out of sight between 7:05am and 2:00pm. The only exception to this policy will be in classrooms where teachers authorize personal devices for educational use under the school's Bring Your Own Device (BYOD) policy. Cadets involved in a BYOD activity may use their electronic devices in class, but must turn them off immediately at the end of the lesson or the class. Under no circumstances may cadets use their devices in common areas including hallways, courtyard, restrooms, or the cafeteria. The school is **NOT** responsible for stolen or lost electronic devices.
- Cadets are prohibited from electronically recording teachers or classes without the written permission of an administrator or designee. During testing administration, if a cadet is found with an electronic device that reproduces, transmits, calculates, or records (for example, a cell phone, camera, smart watch or tablet) in a pocket, at his/her desk, or within reach during testing, that cadet's test will be invalidated. In addition, the device will be confiscated and the cadet will be disciplined. A violation of the policy regarding electronic items gives school officials reasonable suspicion to conduct a search of the contents of the electronic item.

Consequences:

- 1st Offense: Parent has to pick up cell phone
- 2nd Offense: Detention and parent has to pick up cell phone
- 3rd Offense: Extra School and parent has to pick up cell phone
- 4th Offense: 2 Days ISS and parent has to pick up cell phone
- 5th Offense: 2 Days OSS and parent has to pick up cell phone

Bring Your Own Device (BYOD) Policy:

The goal of the BYOD program is to expand opportunities for 21st Century learning. However, using personally owned devices at school is a privilege, not a right and may only be used for learning purposes at the discretion of the classroom teacher. This privilege may be revoked for the cadet body as a whole or for cadets individually at the

discretion of the administration. Therefore, it is important that cadets use their devices responsibly, respect the property of others, and demonstrate that this use benefits them academically and helps them develop into good digital citizens.

Devices Permitted:

The following devices, though currently permitted, may be prohibited at the discretion of the school administration.

- Laptops, netbooks, Chromebooks
- Tablets (iPad, Xoom, Galaxy, Surface, etc.)
- E-Reader/Tablets – (Kindle, Nooks, etc.)
- Internet Accessible Cell Phones (iPhone, Android, Windows based Smart Phones, etc.)

Devices Not Permitted:

- Smart Watches
- Google Glasses

Rules and Conditions:

The following rules and conditions are specific to SMA's BYOD program. All other school/District rules and policies also apply, including, but not limited to, the Code of Conduct and Technology AUP. Parents/guardians must retrieve confiscated devices during normal business hours.

Where/When/Storage:

1. Cadets may only use their device in the classroom when instructed to do so by their teacher.
2. Cadets may not use their device to text or update personal sites/accounts during school hours.
3. Cadets may not use their device in common areas (hallways, bathrooms, locker rooms, cafeteria, etc.) unless specifically instructed to do so by a teacher or school administrator.
4. Cadets may only use electronic devices in the library/media center with the permission of the media specialist. If sound is required, headphones must be used.
5. Cadets should not ask teachers or staff to 'hold onto' or store their device.
6. Administrators/Staff should not be asked to retrieve devices left in school.
7. Devices must be off and out of sight when not being used in the classroom.

Network/Internet Access/Electrical:

1. Cadets should always use the school's wireless network, not personal data plans, to access the web. BYOD privileges may be revoked for cadets found to be visiting websites which are blocked by the school's filter.
2. Personal devices may only connect to the school's guest network. Although some devices may not be able to connect to the guest network, the school will not alter network settings in order to allow such devices to connect.
3. No guarantee is made that the school's wireless network will always be available. Network outages may occur without notice. In addition, no quality of wireless signal is promised. Signal strength may vary depending on the location in the school and the number of devices simultaneously connecting to the network. All schools are not currently equipped to support all cadets connecting to the wireless network.
4. Cadets should bring devices fully charged to school. Access to electrical outlets or computers for charging is not permitted.
5. Cadets will not have access to network printers using their own device. Media Center has printers that are accessed through school issued computers.

Theft/Loss/Damage/Troubleshoot/Inspection:

1. The school/district will not be held financially responsible for lost or stolen devices, nor are school administrators responsible for conducting searches for lost/stolen devices.
2. The school/district will not be held responsible for any physical damage or data loss, including damage/data loss resulting from connecting devices to the school's wireless network or power outlets.
3. School/district staff, including technology staff, will not configure troubleshoot, or repair student devices.
4. School officials may read, examine, or inspect the contents of any personal device upon reasonable suspicion that the contents or recent utilization of the device contains evidence of a violation of these or other rules and policies, as well as any local, state, or federal laws.

Phone Calls/Messages to Cadet

If a cadet has an emergency that requires a phone during the school day, the cadet may use the phone in the classroom with the teacher's permission. Phones are available for cadet use before school and after school in the main office. Cell phone use during the school day is prohibited – except for learning in conjunction with a teacher-approved Bring Your Own Device (BYOD) activity – and will result in confiscation and a discipline consequence.

If a parent needs to reach a cadet during the school day, please call the main office and leave a message for the specific cadet.

CLINIC PROCEDURES AND EMERGENCY CONTACTS

- Emergency and health information is kept in the clinic for each cadet. This information should be updated, with the registrar, throughout the year as needed, and the parent/guardian is responsible for having the Medical Field Trip Treatment Consent form notarized.
- If a cadet becomes ill at school, he/she should report to the clinic, with his/her Cadet Agenda Book, where the clinic aide or nurse on duty will determine the degree of illness. The cadet may rest in the clinic for up to 20 minutes at which time the cadet either returns to class or is picked up by a parent/guardian and signed out for the day. See *Procedure for Early Departure* in this handbook.
- Cadets may not make arrangements to be picked up until the clinic has cleared them. If a parent/guardian comes to school to pick up a sick cadet, the parent/guardian must report to the main office prior to signing their cadet out for the day from the clinic. A valid driver's license is required.
- When a serious illness or injury occurs, the parent/guardian will be notified at once. All head injuries will be reported to the parent/guardian regardless of degree of severity since symptoms may appear later in the day. In an emergency, 911 will be called. First aid and/or CPR will be administered if appropriate while waiting for the EMTs. All contacts and medical information needs to be updated and current for emergency responders.

Medication:

A Medication Authorization Form must be picked up from the clinic and filled out by the doctor in order for prescription medication to be kept in the clinic. The only medications that are allowed to be carried in the school by the cadet are Epi Pens and inhalers with the Doctor's approval on the Medication Authorization Form. Cadets are not permitted to keep any medication on their person in school or on school trips. All medications must be kept in the clinic. Over the counter medications, Tylenol and Motrin, are available in the clinic as long as the cadet has a County OTC Medication Form filled out and signed by the parent/guardian. This form is optional and will be distributed during the first week of school. It does not roll over from the prior school year.

**The clinic is open daily from 7:00am-1:30pm
and 1:30pm-2:00 for emergencies only.**

COMMUNITY SERVICE

- Each cadet will be required to complete 75 hours of community service during their four years at the Academy. Cadets may volunteer at a variety of organizations or activities; however, at no time may they receive pay for their efforts. **All approved volunteer opportunities including SMA support, such as office help, cleanup projects, etc., must be performed outside of normal school hours.**
- Florida law requires that Bright Futures Scholarship candidates qualifying for the Academic Scholars Award complete 100 hours of community service. Additional information about the Bright Futures Scholarship may be found on the Bright Futures web site.
- It is the cadet's responsibility to keep a record of their community service hours. These hours must be documented on the appropriate form, which may be picked up in the Registrar's Office.
- Once a cadet accumulates 75 hours or more, the form must be turned in to the Registrar's Office.
- All JROTC related community service hours are on record with the Senior Army Instructor.
- Cadets should bring a copy of this record to the Registrar's Office, during their senior year or before withdrawing from the Academy, to ensure it is entered into their official records.

COMPUTER AND NETWORK USER POLICY

POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORT

Each cadet at SMA is expected to adhere to all policies and procedures. In doing so, cadets are rewarded for exhibiting these expectations on a consistent basis and are often "caught" being good. SMA uses an electronic point system called PBIS rewards (Positive Behavior Interventions & Support) to acknowledge students who go above and beyond. Both students and parents can check the reward balance by visiting PBISrewards.com. Additionally, students can "purchase" items such as, admission to school events, school supplies and/or dress down days with their awarded points. PBIS Rewards helps SMA create a positive climate in which every student can learn and grow academically, socially, and emotionally. The school store is located in the media center and is open before formation and after school until 2:15pm. If you need to shave, remove nail polish, get a front of the lunch line pass or dress down ticket using points, please see SMA-SFC Olree in the counseling office.

Eagle Expectations and Actions:

RIGHT TO SEARCH

Administrators have the authority to search a cadet, their possessions, and vehicle upon reasonable suspicion of a prohibited or illegally-possessed substance or object. Cadets may be searched on school campus, school field trips, during extracurricular activities, school bus, or any other supervised activity.

See Sarasota County Student and Family Handbook for more details.

EXTRACURRICULAR ACTIVITIES AND SPORTS **AVAILABLE AT SMA**

Please visit the school website, main office or counseling office for a detailed list of school extracurricular activities, including sports and clubs.

FIELD TRIPS AND EXTRACURRICULAR ACTIVITIES

Participation in extracurricular and interscholastic activities, as well as school field trips at SMA, is a privilege. Failure to establish and maintain the SMA standards may render the cadet ineligible to participate. Cadets must be in school for half a day on the day of an activity or trip, unless the absence is approved by an administrator. If the activity or trip is on a weekend, the cadet must be in school the day before. Parent/guardian and teachers' permission is required and a notarized Medical Field Trip Treatment Consent form on file with the clinic.

ATHLETICS

SMA Athletic Director: SMA-MAJ Amy Mazner

Cadets and parents/guardians must comply with the following standards for athletes and any extracurricular activity participants representing SMA. SMA maintains high expectations for academic achievement and appropriate behavior at all times and at all events. Cadets must comply with the Code of Conduct and all school-specific behavior expectations.

To be eligible to play or to participate in either a practice or an event/game, a student must:

- 1) Meet all eligibility requirements as set forth by the Florida High School Athletic Association as appropriate for the sport.
- 2) Cadets must maintain a minimum 2.0 Grade Point Average in all classes.
- 3) Cadets must be present in school for at least 1/2 of the academic day unless excused by an administrator and approved by the Coach or Advisor.
- 4) Cadets must attend required meetings/practices prior to an event or game unless excused by a Coach, Trainer, Advisor or Administrator.

These are the minimum expectations set forth by SMA. A Coach/Principal/Advisor may add additional rules to those listed above that he/she feels are in the best interest of the program and cadet.

The following violations may result in immediate suspension from a team:

- 1) The confirmed use or possession of tobacco or alcohol*
- 2) The sale, use or possession of illegal drugs*
- 3) Being charged with a misdemeanor/felony*
- 4) Failure to adhere to the attendance policy of SMA
- 5) Failure to adhere to the discipline policy of SMA
- 6) Any act of unsportsmanlike conduct at practice or a game/event
- 7) Any act that brings embarrassment to the school in accordance with the SMA student contract

The cadet may petition for reinstatement after serving the assigned suspension.

**Automatic suspension for the remainder of the season.*

ACADEMIC ACTIVITIES AND OPPORTUNITIES

Exceptional Student Education (ESE)

And Gifted Education:

The school will provide the programs and services, including supplemental supports and enrichment services, modifications and accommodations, to ensure the academic success of students with disabilities whose education needs can be met in a regular classroom environment with at least 80% of instruction occurring in a class with non-disabled peers.

International Baccalaureate (IB):

SMA is an International Baccalaureate World School. The SMA-IB office is located in the Student Services Center. Students in grades 9 and 10 are classified as Pre-IB and those in grade 11 and 12 are Diploma Candidates. Students may also enter IB as course-takers and declare to be a STEM major or a Humanities major. Appointments can be made to discuss IB with the IB Coordinator, SMA-LTC Pamela Donehew.

Literacy Initiatives 2.0:

"You can be a good reader but not a good writer, but you can't be a good writer if you do not read!"

Reading and Writing

All cadets are required to carry a book to read during free class time. This may be an independent reading book of their choice, an assigned book from any content area, or a content area textbook. Some teachers schedule independent reading time into their daily or weekly schedules. All content area classes will be doing, at least, weekly writing which will incorporate Critical thinking. Critical thinking transcends subject area divisions and promotes reasoning through ideas, opinions, and situations. Critical thinking employs a set of skills and questioning strategies that helps to guide students to an enhanced clarity and better reading comprehension.

Vocabulary

Since one can only learn and understand the world around them through language, vocabulary is a vital component of academic success. Additionally, comprehension and critical thinking require strong vocabulary skills. Each Monday, there is a new word-of-the-week (WOW). Teachers will display the WOW in their classrooms and everyone on campus will use the word as frequently as possible during the week. Promotion of vocabulary will be a part of every class, every day.

LEAVING CAMPUS

SMA is a closed campus. Cadets **cannot** leave school unless they follow the proper procedures. (See Attendance Policy)

LEAVING CLASS

Cadets must first report to class and get approval from the teacher to leave class with their signed agenda or hall pass. The cadet is then to go only to the specified destination and return to class in a timely manner.

LOST AND FOUND

Lost and Found is located in the counseling office. It is the responsibility of the cadet to replace all missing uniform items and books. SMA is not responsible for damaged, lost or stolen items. Do not bring valuables to school. Do not leave anything in the restrooms or hallways. Keep all your belongings with you whenever possible.

LUNCH POLICY

SMA is a closed campus and cadets are not permitted to leave during lunch. **Cadets are not allowed to order food for delivery** and parents/guardians bringing lunch to a cadet must drop it off in the main office or check in at the main office to obtain a visitor's badge. A valid driver's license is required. Only family members that are listed on the cadet's record may stay to eat lunch with the cadet. Cadets are expected to follow SMA rules during lunch time in addition to the following expectations:

- Clean up area when finished eating and throw trash away
- Wait in the lunch line respectfully
- "Don't pass it up, Pick it up" (Referring to trash on campus).

VISITORS AND VOLUNTEERS

All visitors and volunteers must sign in and obtain a visitor's badge in the main office. A valid driver's license is required. All volunteers must be approved through the Sarasota County Community Involvement Database. Volunteers may sign up in the main office or online. Cadets may also sign up to track their hours. Once approved, volunteers must sign-in/sign-out on the computer in the main office, in addition to obtaining a visitor badge.

PARKING PERMITS
AND ACCESSING CARS DURING SCHOOL HOURS

- Parking on campus and in the Orange Avenue lot is a privilege and it may be revoked by an administrator.
- There is limited parking on campus for select seniors. Parking on campus will be reserved for Regimental Staff and seniors who have a 3.5 GPA or higher (Unweighted).
- The permits will be sold to those meeting the criteria on a first come, first serve basis. All other cadets are to park in Orange Avenue lot.
- Cadets must purchase a parking permit in order to park in either lot.
- The form that requires parent/guardian signature may be picked up in the main office or found on the SMA website.
- Citations and/or disciplinary actions will be issued for illegal parking, parking in unauthorized spots, and for not having a parking permit.
- Parking privileges may be suspended due to behavior issues, poor grades, sharing permits, and visiting cars for any reason during school hours.
- SMA is not responsible for any missing items from vehicles or any damage caused to vehicles.
- Do not bring valuables to school, nor should you leave them in your vehicle.
- Lock your vehicle at all times. Cadets are not to visit vehicles during school hours, therefore, they should bring all books and necessary items with them when they park in the morning.
- When absolutely necessary, written approval from the main office is required in order to go back to car.
- Cadets cannot loiter in or near cars before, during, or after school.

SCHOOL STORE

- From time to time, cadets arrive at school "out of uniform" meaning that they are missing uniform items or are not in the uniform of the day.
- Cadets need to be "in uniform" at all times so if they arrive at school out of uniform they need to report to the school store (in the media center) to purchase any items they are missing.
- Forms of payment accepted are cash, check, and debit or credit cards.
- Cadets may also use PBIS points or sign an IOU form, but payment needs to be made promptly. Items and prices are listed next.

- You may request transcripts from the Registrar's Office by filling out the appropriate form or emailing the Registrar at smaregistrar@oursma.org.
- Cadets applying to colleges will need to request official transcripts.
- Make sure you inform the Registrar where your final transcripts should be sent.

WITHDRAWAL/GRADUATION CLEARANCE PROCEDURES

1. A few days prior to the day of withdrawal/graduation, cadets must obtain a Withdrawal/Clearance Form from the Registrar that a parent/guardian must sign.
2. The form must then be taken around to every teacher, media center, school store, supply room, etc. Getting all the signatures may take a day or two and teacher's classes should not be interrupted to obtain signatures. This form must be turned back in to the Registrar's Office before the cadet will be officially withdrawn.
3. Once the uniform is returned to the supply room (with a \$20 fee for withdrawals), the Polo Uniform must be worn.
4. Once the completed form is turned in to the Registrar's Office and all fees and fines are satisfied, the office will complete the withdrawal process.

JROTC EXPECTATIONS

UNIFORM STANDARDS:

The Army Class "B" uniform is the uniform of the day, Monday through Friday. The Polo Uniform is permitted on Fridays. Exceptions to this policy must be approved by the grade level administrator and may require a note from a physician. Cadets not wearing the appropriate uniform will be placed in In School Suspension until they are in the proper uniform.

CLASS B UNIFORM STANDARDS:

Sarasota Military Academy is, as the name implies, an institution where military traditions and customs are an important part of the academic experience. Cadets will be furnished with uniforms at no cost, but they are required to wear and care for the uniforms properly. The uniform will be worn in accordance with the standards outlined in U.S. Army Cadet Command Regulation 145-2 and AR 670-1/DA Pam 670-1 dated April 2015. When the uniform is worn, it will be worn completely and not mixed with civilian clothing or civilian shoes or without ***required*** items such as belts, nametags, etc.

Cadets and parents/guardians must understand that this is a US Army Uniform, as modified, and must be worn with proper respect. Cadets may not play sports or be involved in any work detail while in the Class B Uniform, nor may they engage in any conduct that would bring embarrassment or disgrace to the uniform or the Army. Further, the uniform may not be worn to promote political causes or at partisan political organizations' events.

**Cadets may NOT wear the Class B Uniform
while performing fundraising activities.**

- Belt:** Tip of the belt should be to the right side of buckle.

The female Class B shirt does not have pockets. Every uniform item is positioned based on the placement of the nametag; therefore, it is extremely important that the nametag is placed correctly on your uniform FIRST while you are wearing the shirt.

Males

- Nametag:** Centered left and right, on the right pocket flap, as well as, centered from the top of the button to the top of the pocket flap.

Special JROTC Team Pins (Arcs):

Approved arcs are worn as follows:

Males

- Centered on right pocket.
Space multiple arcs 1/8" apart.

Females

- Centered on the right side of the uniform, below the nametag to the natural waistline – adjusted to conform to individual figures. Space multiple arcs 1/8" apart.

Medals and Ribbons:

As you start to earn ribbons and/or medals, be advised that you can't wear them together; you wear EITHER your medals OR your ribbons, but NOT BOTH.

Care and Maintenance of Uniform Items:

Standards to be met while in uniform include maintaining the uniform in a clean and serviceable condition. The shirts may be washed, dried, and ironed (sizing/starch is recommended). **Trousers and slacks MUST BE DRY CLEANED and may not be washed.** Shoes should be cleaned/shined with Windex spray or furniture polish spray (such as Pledge). Dirt can be removed from the side edge with a small brush (put some black shoe polish on it to restore the color of the shoe edge, as dirt and dust collect there).

After initial issue of all uniforms and hemming of both pairs of pants, it is the cadets'/parents'/guardians' responsibility to properly maintain the uniforms. This includes dry cleaning, sewing on lost buttons, necessary mending, replacement of broken zippers, and repair of torn/loose hems. Only when a cadet outgrows an issued uniform item will he/she have the item replaced at no cost.

Socks:

Only calf-length black socks may be worn with the Class B Uniform. **No logo, plain black socks only.** White socks are ***NOT AUTHORIZED*** for wear with the Class B uniform.

Beret:

SMA issued berets must be worn with the Class B Uniform during formation.

JEWELRY STANDARDS:

While in any uniform, females may wear post-type earrings in gold, silver, white pearl, or diamond. The earrings will not exceed 6mm or 1/4inch in diameter; they must be unadorned and spherical (round). The ONLY body piercings allowed for females are earrings which may only be worn in the lowest piercing in the ear lobe. No other earrings are authorized. Males may not wear earrings. Earrings ARE NOT authorized in ACUs.

Face piercing of any type, tongue rings, and ear gauges are strictly prohibited. **Cadets who get new piercings during the school year that are not in compliance with the uniform policy must remove them immediately; they cannot be covered up by Band-Aids or anything else, nor may you insert clear plastic plugs.** We suggest you get new piercings during the summer months, so they have time to heal and don't necessitate posts to keep them open.

Both males and females may wear necklaces IF they are not visible in any uniform and the chain is no larger than the Army ID tags chain. No bracelets are allowed while in uniform. Both males and females may wear one ring per hand and a wrist watch: These must be conservative and not detract from the appearance of the uniform. No large or colorful rings and watches. Faddish watches and watch bands are not authorized.

COSMETIC AND NAIL POLISH STANDARDS:

Tattoos and Henna designs may not be visible while on campus and in uniform.

Males: Nail polish and makeup is prohibited.

Females: The ONLY type of nail polish authorized is CLEAR nail polish. French tips (white, tinted, frosted or anything other than CLEAR) are not authorized. Females may wear cosmetics if they are conservative and complement the uniform and their complexion. Eccentric, exaggerated, or trendy cosmetic styles and colors are inappropriate with the uniform and are prohibited, to include "wings" on eyes. Some examples of extreme makeup colors include, but are not limited to, purple, gold, silver, blue, black, white, red, camouflage colors, fluorescent colors, glitter and painted designs. False eyelashes are prohibited. Nails are to be neatly trimmed and not to exceed ¼" to the tip of the finger.

HAIRSTYLE STANDARDS:

While following the standards listed in the upcoming paragraphs, the appropriateness of a hairstyle can be determined by whether or not the cadet can properly wear their headgear (beret/ACU cap.) The headgear must fit snugly without bulging or distortion from the intended shape of the headgear and without excessive gaps. Extreme, eccentric, or faddish haircuts or hairstyles are not authorized. If dyes, tints, or bleaches are used, they must result in the cadet's NATURAL hair color. Hair cannot be more than one color.

Male Haircut, Shaving, and Grooming Standards:

Male cadets must keep the hair on top neatly groomed. If cadets use dyes, tints or bleaches, they must choose those that result in natural hair colors (not two-tone styles.) Questions about hair color should be addressed to the grade level administrator prior to coloring hair. Extreme, eccentric, or faddish haircuts or hairstyles, such as high fades with long hair on top or pompadours, or faux hawks are NOT authorized. Further, the hair must not touch the ears or the collar of the Class B shirt. In any case, the length cannot exceed 2 inches (or less if hair is thick). The hair must present a TAPERED appearance. Also, inappropriate styles that result in shaved portions of the scalp (other than the neckline) or designs cut into the hair are prohibited. The beret must sit naturally on the head. Males will be clean-shaven; however, they may have sideburns. If worn, sideburns will not extend below the bottom of the ear opening, and they are NOT allowed to end in a "point"...they must end with a solid horizontal cut that is not angled. Sideburns will not be tapered or flared. The length of sideburn hairs when extended will not exceed 1/8 of an inch. Mustaches are permitted; if worn, males will keep mustaches neatly trimmed, tapered, and tidy. No portion of the mustache will cover the upper lip line or extend sideways beyond the corners of the mouth. Male fingernails may not extend past the tip of the finger.

UNAUTHORIZED Male Haircuts:

Pompadour

Faux Hawk

AUTHORIZED Male Haircuts:

Female Hair Standards:

Many female hairstyles are acceptable, as long as they are neat and conservative. Extreme, eccentric, or trendy haircuts or hairstyles are not authorized. If cadets use dyes, tints or bleaches, they must choose those that result in natural hair colors (not two-tone styles.) Questions about hair color should be addressed to the grade level administrator prior to coloring hair. Additionally, females will ensure that hair is neatly groomed, that the length and bulk of the hair are not excessive, and that the hair does not present a ragged, unkempt, or extreme appearance. Females may wear braids as long as the braided style is conservative, the braids lie closely on the head, and any hair-holding devices comply with the standards below. For further explanation, the female hair standards are broken into three different categories:

a) Short length. Short hair is defined as hair length that extends no more than 1 inch from the scalp (excluding bangs). Hair may be no shorter than 1/4 inch from the scalp (unless due to medical condition or injury), but may be evenly tapered to the scalp within 2 inches of the hairline edges. Bangs, if worn, may not fall below the eyebrows, may not interfere with the wear of all headgear, must lie neatly against the head, and not be visible underneath the front of the headgear. The width of the bangs may extend to the hairline at the temple.

b) Medium length. Medium hair is defined as hair length that does not extend beyond the lower edge of the collar (in all uniforms), and extends more than 1 inch from the scalp. Medium hair may fall naturally in uniform, and is not required to be secured. When worn loose, graduated hair styles are acceptable, but the length, as measured from the end of the total hair length to the base of the collar, may not exceed 1 inch difference in length, from the front to the back. Layered hairstyles are also authorized, so long as each hair's length, as measured from the scalp to the hair's end, is generally the same length giving a tapered appearance. The regulations for the wear of bangs detailed in paragraph (a), above, apply. No portion of the bulk of the hair, as measured from the scalp, will exceed 2 inches.

c) Long length. Long hair is defined as hair length that extends beyond the lower edge of the collar. Long hair will be neatly and inconspicuously fastened or pinned, except that bangs may be worn. The regulations for the wear of bangs detailed in paragraph (a), apply. No portion of the bulk of the hair, as measured from the scalp, will exceed 2 inches (except a bun, which may extend a MAXIMUM of 3 inches from the scalp) and be NO WIDER than the width of the head.

Faddish and exaggerated styles, to include shaved portions of the scalp other than the neckline, designs cut in the hair, unsecured ponytails (except during PT), and unbalanced or LOPSIDED hairstyles are prohibited. Hair will be styled so that it does not interfere with the proper wear of all military headgear. All headgear will fit snugly and comfortably around the largest part of the head without bulging or distortion from the intended shape of the headgear and without excessive gaps. When headgear is worn, hair should not protrude at distinct angles from under the edges.

Hairstyles that do not allow the headgear to be worn in this manner are prohibited. Pony tails, pig tails, or braids that are not secured to the head (allowing hair to hang freely), widely spaced individual hanging locks, and other extreme styles that protrude from the head are prohibited. Foreign material (beads and decorative items) may not be woven into the braids. Dreadlocks are unauthorized. "Twists" are unauthorized (except French Twists.) Hair extensions are authorized, however, they must have the same general appearance as the natural hair and conform to the above regulations.

Hair-holding devices are authorized only for the purpose of securing the hair. Cadets will not place hair-holding devices in the hair for decorative purposes. All hair-holding devices must be plain and of a color as close to the cadet's hair color as possible or clear (e.g., a blonde may wear brown or clear hair-holding devices). Authorized devices include, but are not limited to, barrettes, combs, pins, clips, or elastic bands. Devices that are conspicuous, excessive, or decorative are prohibited. Some examples of prohibited devices include, but are not limited to, "scrunchies," beads, bows, claw-clips, headbands, and barrettes with butterflies, flowers, sparkles, gems, or scalloped edges or in colors not closely matching the hair.
