**Digital Citizenship Announcements Week: *Creative Credit and Copyright***  
**9/27/19**

Here are a few words of wisdom regarding digital citizenship. This week, we are focusing on Creative Credit & Copyright. Take some time to think about someone who has good character, someone who is honest and kind, and someone with a good reputation. Maybe this is a family member, teacher, fellow student, role model, spiritual leader, or public figure. At Maryville City Schools, we recommend that each person:

Think about what that person does? Is he/she serving others and making a positive difference? Anyone with good character is making the world a better place. This week, make a contribution to the world around you by being honest, fair, and responsible. Be a person with good character. The reputation you build online can impact you in person! The choices you make follow you.
