

Passage of School District Question 1 or School District Question 2 will result in an increase in your property taxes. The passage of School District Question 2 is contingent on the passage of School District Question 1.

The annual dollar increases for typical residential homesteads, apartments, commercial-industrial properties, and most other classes of property within the school district are as shown in the table below.

For agricultural property (both homestead and non-homestead), the taxes for the proposed referendum will be based on the value of the house, garage and surrounding one acre of land only. There will be no referendum taxes paid on the value of other agricultural lands and buildings. For seasonal residential recreational property (i.e. cabins), there will be no taxes paid for the proposed referendum.
