## *3rd Annual Dare to Dream College & Career Fair "Connecting to the Future"*

August 1st 2019

Dear Sir or Ma'am,

On behalf of McLain High School for Science and Technology staff and scholars, we would like to cordially invite you to participate in our **3rd Annual Dare to Dream College and Career Fair** on Friday, November 22, 2019 from 8:30 – 11:00 am in the McLain Gym and Alumni Hall.

Our High School's mission is to provide our scholars with meaningful experiences that will enhance their college and career readiness by providing them with the tools and pathways for their future. The Dare to Dream College and Career Fair offers scholars an opportunity to learn more about higher education and careers they might be interested in.

As a professional, you can directly respond to scholar questions regarding the joys and challenges of your profession and offer them individual advice on required training and networking for their career choices.

We hope you will take advantage of the opportunity to make a difference in the lives of our scholars by participating in this years event. **Please RSVP by Friday November 1st, 2019**, by emailing your completed sign-up form to [mclaindaretodream@gmail.com](mailto:mclaindaretodream@gmail.com)

Thank you for your commitment to our students and community and we look forward to your participation in our Dare to Dream College and Career Fair 2019. Please feel free to contact me directly with any questions or concerns.

Sincerely,

Lushuna Blalock- Humphrey  
Family Alumni Community Engagement Liaison

## ***On Time .... On Task .... On a Mission to Academic Excellence***

### ***Why participate and what will I do at the career fair?***

Attending a career fair gives you the chance to talk face-to-face with future employers and share potential career paths they might otherwise not know about. You will be talking to students and answering questions such as:

- Tell me about your career and how you got into the field?
- What does your typical work day look like and what type of equipment or tools do you use?
- How much money do you make?
- What was your educational path to your career?
- What high school courses were essential to your career?
- What does your company make/do?
- Does your company have any internships or job opportunities?
- What is the job outlook in your career field?

### ***What do I bring?***

#### **Students love giveaways!**

Bring any relevant information you may have about your field and career path.

- Bring candy—this will get students to stop and give you an opportunity to start a conversation.
- Bring business cards, visuals, and a company banner to display. Anything with your logo and company information is a great way to advertise.

### ***What can I do to encourage students to come visit my booth?***

Again, students love giveaways but another way to entice students is to have a visual demonstration. This gets them excited about what they are learning and hopefully will ask more and more questions. For example:

- A chef may want to perform a food demonstration
- A police officer may want to conduct a lie detector test on students.

The possibilities for creativity are endless.

### ***How many representatives can attend?***

Due to space limitations, we would appreciate each employer to only bring 2 representatives (3 total).

### ***Where is the fair located?***

Our fair will be held in the main gym and alumni hall located inside of McLain High School of Science and Technology at 4929 N. Peoria Ave. If you need to unload anything please let me know in advance and either volunteer students or our custodial staff will meet you at the fire lane located at the west parking lot at the front of the school to assist you.

### ***Where do I park?***

Parking will be available in the west parking lot which is located at the front of McLain High School for Science and Technology

### ***When should I get there to set-up?***

Guests will be able to begin the setup process at 8:00 am; the event will run from 8:30-11:00 am. Breakfast will be served in the McLain hospitality room located behind the Main gym. Signs will be placed for you to follow. We will do our best to accommodate you if you need a power source. We will also provide a 6 foot table, chairs, and Wi-Fi access. Lunch will be served following the event in the hospitality room located in McLain Athletic Center.
