

Windsor Southeast Supervisory Union

VERIFICATION OF RESIDENCY OF PUPILS

The Windsor Southeast Supervisory Union, comprised of the Hartland, West Windsor, Windsor, and Weathersfield School Districts, is responsible for ensuring the education of pupils who are residents in the various school districts. We are making every effort to ensure the continued quality of education that the residents of the Supervisory Union have come to expect. In addition, the various school boards have a responsibility to the taxpayers of these Districts to be assured that the District is only educating those pupils whose parents, legal guardians or custodians have chosen to make the District their residence or who meet the statutory exceptions to the residency requirement. Accordingly, the individual District may, consistent with state statute, refuse to accept or may dismiss pupils who are not legal residents of the District.

In order to determine whether a pupil is a legal resident as defined by Vermont Law, the District must require proof of residency as described below and completion of the "Affidavit Concerning Pupil Residence." Your cooperation in this effort is appreciated.

Parents, legal guardians and custodians of pupils and emancipated minors enrolling in any of the individual school districts for the first time, re-enrolling after withdrawal, or whose residence is being questioned, must supply to the Superintendent **one document from each of the following columns.** These documents are for address verification, and must all reflect the address provided for enrollment or change of address.

Parents, legal guardians or custodians of pupil(s) who are not town residents and wish the pupil(s) to attend the town school district, must supply the appropriate custody information for the pupil(s) they wish to enroll, and they must: apply to the Superintendent for the pupil(s) to be admitted as a non-resident (tuition) pupil.

Please provide to the Superintendent the appropriate above stated documents and a completed Affidavit Concerning Pupil Residency within the next ten (10) days. Failure to timely provide the principal with the appropriate documents and the completed attached Affidavit will result in your being billed for tuition and/or may result in your child being excluded from school.

Please note: THE AFFIDAVIT CONCERNING PUPIL RESIDENCE REQUIRES A NOTARIZED SIGNATURE. For your convenience, a notary is available, free of charge, at the Superintendent’s Office, Windsor Southeast Supervisory Union, 105 Main Street, Suite 200, Windsor, Vermont.

This (these) document(s) will be reviewed by the Superintendent and a decision will be made as to whether the responses comply with the laws of the State of Vermont, as they relate to establishing residency for school attendance purposes.

Any decision regarding residency may be appealed in writing to the local School Board. If the Superintendent denies enrollment, and the pupil will not be in attendance for at least two days pending a Board hearing, the Commissioner of the Department of Education may issue a temporary order requiring enrollment. Once the board has made its decision any interested person or taxpayer, may appeal the decision to the Commissioner of Education whose decision shall be final.
