If you follow the sublinks included in the above website you should be able to find answers to most of the details about the trip, but here are the basics:

This trip is open to the Webb community - students (8th grade +), parents, alums and friends.

We are traveling as a private group, which means we will not be combined with other groups on the tour bus.

The current (as of Sep. 30, 2019) price for students is \$4,415. This includes

- Round-trip airfare and on tour transportation
- Hotels with private bathrooms
- Breakfast and dinner (see your [itinerary](#) for meal details)
- Full-time Tour Director
- Daily activities, tours and entrances to attractions
- 3-day extension in Scotland
- Private group fee
- It does not include personal spending money, lunches, baggage fees, or about \$100 for tips that I must collect before the trip.
- The price will go up as time goes by. It also may go up a bit if we have less than 10 travelers.

You can sign up and reserve your spot for \$95. There are [3 options for payment on the balance](#).

If you are ready to go then please sign on up!

The website can hopefully answer your questions, but If you want more information from a human please talk to/email me.
