Any input for purchase? Romana requested more books for the library. A parent expressed concerns about honors classes and some honors classes are not recognized by UC. Jill addressed her concerns and said she would get back to her with more information. Romana expressed that her son had a similar situation. Parent asked what determines how we get money that supports the needs for students, the counselor is funded out of student enrollment anything other is supplemental for programs. AVID enrollment, extra tutoring and teachers for supplemental. The only person funded out of LCFF is the community liaison.

Meeting adjourned at 3:17 pm
