### **ARTICLE 3: NONDISCRIMINATION**

- A. The Board shall not discriminate against any teacher on the basis of actual or perceived race, religion, color, national origin, ancestry, age, marital status, pregnancy, physical or mental disability, medical condition, genetic information, veteran status, gender, gender identity, gender expression, sex or sexual orientation, political affiliation, or membership in an employee organization or participation in the activities of an employee organization. The foregoing shall not be construed to restrain or limit the District from complying with state and federal law regulating the rights of persons in the "protected classes" enumerated above.
- B. In the event that a unit member processes a grievance under the provisions of this article, it shall not be construed by the parties as negating or limiting the right of said unit member to pursue remedies of alleged discrimination through other available administrative processes or through the court.

#### **ARTICLE 4: ASSOCIATION RIGHTS**

- A. The Association shall have the right of access to District employees at reasonable times. The term "reasonable times" as used herein means an employee's meal or rest periods and any time before or after an employee's assigned duty time when such employee is present upon District property, but is not expected to be performing services or to be ready to perform services on behalf of the District. Any representative of the Association who wishes to enter a school campus of the District during hours in which students are present shall notify the principal's office of his/her identity and his/her status as a representative of the Association. Notices that are posted which are of a political nature shall contain the following disclaimer: "This notice has been posted by the Hanford Elementary Teachers Association and does not necessarily represent the support or endorsement of the Board of Trustees of the Hanford Elementary School District." At least one (1) 3' x 4' bulletin board exclusively for use by the Association shall be provided in each school building in areas frequented by teachers.

- D. The Association may utilize District mailboxes and email for non-political communication with its members. Non-political communication means fair and impartial information that is provided to unit members that does not urge the passage or defeat of a ballot measure or candidate (other than candidates running for HETA or CTA offices or positions).
- Copies of items that are not directly related to Association business, but are intended for general distribution by the Association through the District mail and/or email shall be provided to the Superintendent and/or designee for review at the time of mailing. All materials intended for general distribution by the Association shall be so identified

- G. Representatives of the Association shall have the right to utilize District facilities to conduct their meetings with District employees. Requests to utilize such facilities shall be made on forms prescribed by the District for control of Civic Center use of public schools and shall be subject to prior requests for utilization of such facilities by groups entitled to their use under provisions of the Education Code. The Association, when desiring use of such facilities, shall file with the Superintendent the certification required by California Education Code Section 40040 et seq. Meetings conducted in such facilities shall in no

In addition, the Association President or his/her designee shall have a maximum of fifteen (15) days release time annually, with the Association providing for the cost of the substitute. Such release time in increments of one-half (1/2) or one (1) full day shall be used at the discretion of the Association provided the immediate supervisor or his/her designee is given reasonable notice forty-eight (48) hours of impending absences. - L. A Representative appointed by Association members at a school shall hold one (1) seat on that school site's Faculty Advisory Committee (FAC) established by District Management for the purpose of advising principals. Failure of any Association Representative to attend FAC meetings for any reason shall in no way obstruct or impair the functions or deliberations of such committees.
- M. The Association may appoint teacher representatives, at least one from each school site, as appropriate, on all District established committees, standing committees, adhoc committees and administrative task forces which are organized to advise the District. The Association will make a good faith effort to have a mix of teacher appointees on committees so that grade level teachers, bilingual and special education teachers, experienced and new teachers, as well as instructional coaches and nurses, are represented on all applicable committees. Before appointing any committee members, the HETA site representative shall consult with his/her site principal for the purpose of expanding the list to cover special needs of the committee.   - b. The District shall actively seek volunteers at the affected grade level prior to initiating an involuntary transfer. The volunteer will be afforded the same protection and stipend which would be provided to the least senior teacher.
2. The District shall notify the affected teacher in person in private after the duty day of his/her proposed transfer for the coming year by April 10 (except under F.5) of the current school year. Such notification shall identify the reason for the proposed action.
3. A teacher being involuntarily transferred from his/her current position shall be sent a list of vacancies and a list of the names of the involuntary transfers ranked by seniority by April 10 for the following school year.

4. By April 15, a meeting shall be held for teachers being involuntarily transferred. At this meeting, teachers, by seniority, will select a position from the list of vacancies for the following academic school year. Teachers on the involuntary transfer list shall have priority over voluntary transfers for vacant positions through April 15, prior to the annual staffing meeting.
5. Any teacher who is dissatisfied with his/her new position resulting from the April 15 meeting (See #4 above) shall be given first consideration for vacancies that occur prior to students returning to school before voluntary requests are considered.
6. A teacher who has been subject to an involuntary transfer shall not again be subject to an administrative or an involuntary transfer until s/he has served two (2) years in that position.
7. Regular teachers who have been involuntarily transferred to a different school and/or grade level shall receive a stipend of One Thousand Dollars and No Cents (\$1,000). The stipend shall be payable with the September 30 pay warrant following the transfer/reassignment.
8. Any teacher being involuntarily transferred from his/her position shall be given the option to return to his/her position (grade and/or subject), if the position is reopened prior to the students return to school. Teachers electing this option shall waive their rights to benefits provided in Section F.1.b. of this Article.
  - a. If the previous position (grade and/or subject) is reopened after the students return to school, the former position will be made available to the teacher the following school year if it is vacant or has been filled by a new hire, unless the

new hire is a Probationary I teacher and it would be in the best interest of that teacher to stay in that position for further observation and assistance.

**G. Involuntary Transfer – After April 15 or Fall Balancing**

1. The Association and the District recognize and acknowledge that school site enrollment changes may necessitate the District initiation of transfers after the April 15 date described above.
  - a. The District will actively seek volunteers at the affected grade level prior to making an involuntary transfer. If a volunteer steps up in lieu of the least senior teacher and is approved for transfer by the Superintendent, said volunteer will be afforded the same compensation and protection from future transfer afforded to the least senior teacher.
  - b. Should an involuntary transfer become necessary after May 15, the teacher being transferred shall have the choice of three (3) days of additional pay or three (3) days without classroom duties, or any combination of these totaling three (3) days, in order to make proper preparation for the new classroom assignment. Teachers who volunteer in lieu of another teacher will also receive 3 day's pay or 3 days of substitute release time or a combination of both to prepare for class change.
  - c. A teacher who has been subject to an involuntary transfer shall not again be subject to an administrative or involuntary transfer until s/he has served two (2) years in that position.
  - d. Regular teachers who have been involuntarily transferred to a different school and/or grade level shall receive a stipend of One Thousand Dollars and No

Cents (\$1,000). The stipend shall be payable with the September 30 pay warrant following the transfer/reassignment.

2. Any teacher being involuntarily transferred from his/her position:
  - a. Shall be given the option to return to his/her position (grade and/or subject), if the position is reopened prior to the students return to school. Teachers electing this option shall waive their rights to benefits provided in Section G.1.b. of this Article.
  - b. If the previous position (grade and/or subject) is reopened after the students return to school, the former position will be made available to the teacher the following school year if it is vacant.
3. The District shall notify the affected teacher in person in private after the duty day of his/her proposed transfer. Such notification shall identify the reason for the proposed action.

#### **H. Reassignment**

1. Special Day Class (SDC) teachers who have been subject to reassignment shall be protected from subsequent reassignment for two (2) years, except in the following cases:
  - a. Teacher movement into or out of RSP to any position that keeps a register for apportionment purposes.
  - b. Movement of a Special Day Teacher with his/her program from one school site to another school sites.
  - c. Realignment of SDC grade levels at a school where there is not more than one grade level added to the program.

2. SDC teachers who have been reassigned by the District to a different school and/or grade level configuration (K-3, 4-6, 7-8) shall receive a stipend of One Thousand Dollars and No Cents (\$1,000). The stipend shall be payable with the September 30 pay warrant following the transfer/reassignment.
3. The process for determining an RSP split assignment at a school site with two (2) RSP teachers will be as follows:
  - a. Student and program needs will be considered through the District developed selection process for RSP split assignments.
  - b. In the event that the impact on student and program needs is substantially equal, in the absence of a volunteer, the teacher with the least seniority will be selected for the split assignment.

## **ARTICLE 9: CERTIFICATED EVALUATION AND PERSONNEL FILES**

### **I. TEACHERS**

- A. Designation of Evaluator - The responsibility for the evaluation of teachers shall rest with each evaluatee's immediate supervisor or the manager(s) designated by the Superintendent. This does not prevent the supervisor from bringing in another district administrator during the scheduled observation, with advance notice to the teacher, to assist in the training of a designated evaluator and/or ensure that the teacher is observed by an administrator whose training and experience is consistent with the teacher's assignment.
- B. Teachers shall be evaluated according to the legal standards as established by the State of California, the Board, and as provided by the express terms of this Article.
- C. Permanent teachers being evaluated shall be notified in writing by October 1 of the school year in which they are to receive a formal evaluation. The District reserves the right to add other teachers to the evaluation schedule for that school year after October 1. The principal shall notify those teachers that they are being evaluated.
- D. Teachers shall be evaluated according to the assessment of their professional competence as it relates to the attainment of those objectives/standards established by the State of California and the District Board and in accordance with the content of the District Teacher Evaluation Form. There will be only one (1) evaluation form used in the District, except the self-evaluation alternative.
- E. Non-permanent teachers shall receive a minimum of one (1) formal evaluation each school year until permanent status is attained.

1. The evaluation shall be completed by the end of the twentieth (20<sup>th</sup>) week of the school year.
  2. The formal evaluation shall be preceded by a minimum of three (3) observations for the first year of teaching in the district and two (2) observations for the rest of the non-tenured years. Observations will not be less than twenty (20) minutes each, one of which shall be announced by the supervisor to the teacher at least two (2) working days in advance.
  3. The announced observation shall be preceded by a pre-observation conference between evaluator and evaluatee.
  4. A post-observation conference shall take place within two (2) weeks following any observation, excepting recess and holiday periods, absence(s) of teacher or evaluator, and circumstances outside the control of either party. The evaluator shall provide the teacher with a written summary of the formal observation at that conference.
  5. Intent not to reelect a Probationary II Teacher for employment for the following year shall be made known by March 15.
- F. Permanent teachers and teachers on a temporary or restricted contract who have served a minimum of two (2) years [one (1) year of teaching credit shall be for fifty (50%) of the teaching year] with the District shall normally receive a minimum of one (1) formal evaluation every other year.
1. AB 954 (Chapter 566/2003) adds language to Education Code Section 44664 that allows for the following:

A certificated employee and his/her evaluator may mutually agree that the employee will be evaluated only once every five years if:

- The certificated employee has permanent status
- Has been employed by the school district for at least 10 years
- Meets the Federal definition of highly qualified
- Previous evaluations show that the employee meets or exceeds the standards

If either party wants to change the evaluation agreement, either may withdraw consent at any time.

2. The formal evaluation shall be due no later than thirty (30) days prior to the end of the school year.
3. The formal evaluation shall be preceded by a minimum of one (1) observation of not less than twenty (20) minutes, which shall be announced by the supervisor to the teacher at least two (2) working days in advance.
4. Each permanent teacher shall have a pre-observation and post-observation conference with his/her evaluator regarding the observation.
5. This post-observation conference shall take place within two (2) weeks following the observation, excepting recess and holiday periods, absence(s) of teacher or evaluator, and circumstances outside the control of either party. The evaluator shall provide the teacher with a written summary of the formal observation at that conference.
6. If the evaluator has a concern(s) about conduct observed during the observation, the evaluator shall indicate to the teacher the area(s) of concern,

make suggestions for improvement, allow time for improvement, and conduct a minimum of one additional observation no sooner than five (5) working days following the last observation conference when area needing improvement is observable. During the second post observation conference, the principal shall review concerns or “next steps” which were noted and discussed during the first observation conference. Repeat observations will not occur for areas needing improvement that are not observable. These areas fall under Standard 5 and 6 of the evaluation form. The formal evaluation shall not normally include "Areas Needing Improvement" or "Areas of Unsatisfactory Performance" unless the teacher has been informed of these concerns and been given opportunity to correct them.

7. If the evaluator observes conduct which does not require additional observation, the formal evaluation shall be completed within one calendar month, excluding holiday and recess periods, absences of teacher or evaluator, and circumstances beyond the control of either party.
- G. Both evaluatee and evaluator shall be required to sign formal evaluations. Signature of the evaluatee does not necessarily indicate concurrence with the evaluation.
- H. When a written statement is made which reflects a need for improvement, or unsatisfactory performance, specific written explanations and suggestions for improvement, shall be included by the evaluator.
- I. Management support for unsatisfactory performance:  
Unsatisfactory performance by a teacher, according to the criteria for evaluation, shall result in the following:

1. Notification, in writing, by the evaluator to the evaluatee of the specific area(s) of unsatisfactory performance. Such notification shall include alternative suggestions for overcoming the stated area(s) of unsatisfactory performance.
2. Referral of the teacher to the Peer Assistance and Review (PAR) Panel for assistance as provided in Article 23.
3. It will be the responsibility of the teacher to help remediate any of his/her identified problem areas by attempting to implement suggestions made by the administration, recognizing that not every suggestion will resolve every problem.
4. Conference(s) may be arranged by either party to discuss either remediation of the problem area(s) or positive progress relating to the area(s) of unsatisfactory performance.
5. The evaluator shall provide, within the reasonable capabilities of the District, means designed to improve performance. These may include, but shall not be limited to model lesson plans, teaching demonstrations, equipment, support personnel, release time for classroom observations, and suggested/required professional development (i.e., college, university course work, staff development or any combination thereof).

J. Self Directed Evaluation:

1. Principals and permanent teachers may mutually agree to utilize the self-directed evaluation process. A teacher whose prior evaluations indicate unsatisfactory performance shall not be considered for self-directed evaluation.

2. Any teacher not under the self-directed evaluation process will be evaluated using the standard H.E.S.D. evaluation form.
  3. Once approved for a self-directed evaluation, the permanent teacher must obtain his/her site principal's approval for a focus area of improvement designed by the permanent teacher to enhance his/her classroom performance. The site principal and the permanent teacher shall agree on the manner by which the teacher shall present the results.
- K. All evaluations and supporting documentation shall be sent to the District Office and shall be placed in the teacher's official personnel file.

## II. NURSES

- A. Designation of Evaluator - The responsibility for the evaluation of nurses shall rest with the Assistant Superintendent of Special Services or his/her designee.
- B. Nurses shall be evaluated according to the standards established by the District and as provided by the express terms of this Article.
- C. Permanent nurses being evaluated shall be notified in writing by October 1 of the school year in which they are to receive a formal evaluation. The District reserves the right to add other nurses to the evaluation schedule for that school year after October 1. The evaluator shall notify those nurses that they are being evaluated.
- D. Nurses shall be evaluated according to the assessment of their professional competence as it relates to the attainment of those objectives/standards established by the District Board and in accordance with the content of the District Nurse Evaluation Form. There will be only one (1) evaluation form used in the District.

- E. Non-permanent nurses shall receive a minimum of one (1) formal evaluation each school year until permanent status is attained.
1. The evaluation shall be completed by the end of the twentieth (20<sup>th</sup>) week of the school year.
  2. The formal evaluation shall be preceded by at least one (1) announced observation of not less than twenty (20) minutes, which shall be announced by the evaluator to the nurse at least two (2) working days in advance. Two (2) additional observations or interviews shall occur the first year working in the district and a total of two (2) observations/interviews during rest of non-tenured years.
  3. The announced observation shall be preceded by a pre-observation conference between evaluator and evaluatee.
  4. A post-observation conference shall take place within two (2) weeks following any observation or interview, excepting recess and holiday periods, absence(s) of nurse or evaluator, and circumstances outside the control of either party. The evaluator shall provide the nurse with a written summary of the formal observation at that conference.
  5. Intent not to reelect a Probationary II Nurse for employment for the following year shall be made known by March 15.
- F. Permanent nurses and nurses on a temporary or restricted contract who have served a minimum of two (2) years [one (1) year of credit shall be given for fifty percent (50%) of the school year] with the District shall receive a minimum of one (1) formal

evaluation every other year consistent with I.F.1. above, a nurse and his/her evaluator may mutually agree that the employee will be evaluated every five years if:

- the nurse has permanent status
  - has been employed by the school district for at least 10 years
  - previous evaluations show that the employee meets or exceeds the standards.
1. The formal evaluation shall be due no later than thirty (30) days prior to the end of the school year.
  2. The formal evaluation shall be preceded by a minimum of either one (1) observation of not less than twenty (20) minutes, which shall be announced by the supervisor to the nurse at least two (2) working days in advance or one (1) interview.
  3. Each permanent nurse shall have a pre and post conference with his/her evaluator regarding the observation or interview.
  4. The post conference shall take place within two (2) weeks following the observation or interview, excepting recess and holiday periods, absence(s) of nurse or evaluator, and circumstances outside the control of either party. The evaluator shall provide the nurse with a written summary of the formal observation at that conference.
  5. If the evaluator has a concern(s) about conduct observed during the observation or interview, the evaluator shall indicate to the nurse the area(s) of concern, make suggestions for improvement, allow time for improvement, and conduct a minimum of one additional observation or interview no sooner than five (5) working days following the last observation conference. The formal evaluation

shall not normally include "Areas Needing Improvement" or "Areas of Unsatisfactory Performance" unless the nurse has been informed of these concerns and been given opportunity to correct them.

6. If the evaluator observes conduct which does not require additional observation, the formal evaluation shall be completed within one calendar month, excluding holiday and recess periods, absences of nurse or evaluator, and circumstances beyond the control of either party.
- G. Both evaluatee and evaluator shall be required to sign formal evaluations. Signature of the evaluatee does not necessarily indicate concurrence with the evaluation.
- H. When a written statement is made which reflects a need for improvement, or unsatisfactory performance, specific written explanations and suggestions for improvement, shall be included by the evaluator.
- I. Management support for unsatisfactory performance:  
Unsatisfactory performance by a nurse, according to the criteria for evaluation, shall result in the following:
  1. Notification, in writing, by the evaluator to the evaluatee of the specific area(s) of unsatisfactory performance. Such notification shall include alternative suggestions for overcoming the stated area(s) of unsatisfactory performance.
  2. It will be the responsibility of the nurse to help remediate any of his/her identified problem areas by attempting to implement suggestions made by the administration, recognizing that not every suggestion will resolve every problem.

3. Conference(s) may be arranged by either party to discuss either remediation of the problem area(s) or positive progress relating to the area(s) of unsatisfactory performance.
  4. The evaluator shall provide, within the reasonable capabilities of the District, means designed to improve performance. These may include, but shall not be limited to model lesson plans, teaching demonstrations, equipment, support personnel, release time for observations, and suggested/required professional development (i.e., college, university course work, staff development or any combination thereof).
- J. All evaluations and supporting documentation shall be sent to the District Office and shall be placed in the nurse's official personnel file.

### III. Additional Certificated Evaluation Procedures

- A. No negative evaluation of performance shall be predicated upon information or material of a derogatory nature which has been received by the evaluator from others (such as parents and citizens) unless the following procedures have been adhered to:  
With regard to parent or citizen complaints, the certificated employee shall first be given written or oral notice of same and an opportunity to discuss and attempt to resolve the matter with the complaining party, together with the appropriate manager.
- B. No evaluation of performance shall be predicated upon lawful non-school related personal activities which have no impact upon the certificated employee's effectiveness as a teacher or nurse.

- C. A grievance on any certificated employee's evaluation shall be limited to the procedure listed above or to a claim that these procedures have been unreasonably applied. Ratings are not grievable.
