- D. **Extra Time:** Any ordered or authorized extra hours worked by a part-time employee that total, when combined with the employee's regular hours, not more than eight (8) hours per day or forty (40) hours per week. Overtime or extra hours declined by all employees shall be assigned at the discretion of the District.

- G. **Holiday Pay:** All hours assigned to work on holidays shall be compensated at time and a half (1½) the regular rate of pay in addition to the regular pay.
- H. **Compensatory Time Off:** An employee shall have the option to elect compensatory time off in lieu of cash for extra or overtime worked for a compensatory time accumulation of not more than three (3) days based on that employee's contractual work day.
1. No employee shall accrue more than three (3) days of comp time.
 2. Any employee who accrues more than three (3) days of comp time in any pay period shall be compensated or be given compensatory time off with pay by the end of the following pay period.
 3. Any part-time employee who works extra hours shall accrue comp time on an hour-for-hour basis for each extra hour worked up to eight (8) hours per day, and on a time and a half basis for each hour worked in excess of eight (8) hours per day.

- J. **Work Scheduled on Non-Work Day:** When a supervisor schedules work on a day an employee is not scheduled to work, the employee shall be paid the amount of time the employee works at the appropriate rate. If through no

fault of the employee, he/she works less than the scheduled number of hours the employee shall be paid for the minimum of three hours. Where the employee fails to work the scheduled hours, the employee shall be paid only for the actual time worked.

- K. **Split Shift Differential Compensation:** All employees whose regularly assigned shift contains one or more periods of unpaid time which exceeds ninety (90) minutes shall be paid a shift differential premium of seven (7%) above the regular rate of pay for all hours worked.
- L. **Night Differential:** Any employee who works a regularly District-assigned shift between the hours of 5:00 p.m. and 6:00 a.m. shall receive a seven (7%) differential for each hour worked within that time frame.
- M. **Voluntary Reduction in Assigned Time:** A reduction in assigned time may occur when an employee voluntarily requests to surrender his/her "vested" rights to a specific number of hours. Such voluntary agreements shall be reduced to writing with copies going to the immediate management supervisor and the Superintendent or his/her designee. An employee may request a voluntary reduction in hours for a specified period of time and the hours reduced may be restored before the time period has elapsed to his/her original assigned hours by mutual agreement between the Union and the Superintendent or his/her designee. Prior to the employee's submission of a request for a voluntary permanent reduction in hours, the employee shall receive written concurrence from the Union.
- N. **Increase in Hours:**
 - 1. Except as provided under subsections 2. and 3. below, when additional hours are assigned to a part-time position on a regular basis, the assignment shall be offered to the employee currently in the appropriate class with the greatest bargaining unit seniority. If the senior employee declines the assignment, it shall be offered to the remaining employees currently in the class in descending order of bargaining unit seniority until

- the assignment is made. If no one accepts, the District shall at its own discretion assign the time to any employee currently in that class.
2. A position with more hours shall be offered to the next most senior employee if:
 - a. the more senior employee cannot be reached by phone or fails to return a call-back message within forty-eight (48) hours. Every reasonable effort shall be made to reach an employee by phone or message; or
 - b. the more senior employee fails to accept an offer within twenty-four (24) hours of the offer.
 - c. If the more senior employee is on leave, but has accepted the increase in hours, the employee currently in the position, regardless of seniority, shall work the increased hours until the return of the senior employee or until the end of the school year, whichever occurs sooner.
 3. To ensure continuity of supervision and evaluation, a probationary employee may change positions to accept more hours within the same classification only:
 - a. at the beginning of a new school year as a result of the annual staffing (“bumping”) process; or
 - b. if the change does not result in a change of work site; or
 - c. with the consent of the Principal/Department Head and approval by the Superintendent.
 4. Probationary employees who were unable to move to a position with a higher number of hours, per Section 3. above, shall have the right to exercise their seniority during the annual staffing meeting for a position with the number of hours they were unable to select during the year.
- O. **Adjustment in Assigned Time:** Any employee who works a minimum of thirty (30) minutes or more per day in excess of his/her regular part-time assignment for a period of twenty (20) consecutive working days or more

shall have his/her regular assignment adjusted upward to reflect the longer hours, effective with the next pay period. This provision shall not apply to extra hours offered to and accepted by an employee for a special assignment of not more than sixty (60) work days unless extended by mutual agreement between District and Union.

P. **Flexible Work Schedule by Mutual Consent:** When for the advantage of an employee, a work schedule is adjusted to include split shift, night hours, or week-end work, the differential pay shall not apply. The employee and the management supervisor must give mutual consent in writing with a copy to the Union.

Employees working seven (7) or more hours shall be granted two (2) fifteen (15) minute rest periods. Insofar as practicable, the rest periods shall be taken in the middle of each morning and afternoon work period.

2. Specified rest periods may be designated by an immediate management supervisor only when the operations of the District require someone to be present at the employee's work site or because of other work requirements.

3. Rest periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employee.

S. **Rest Facilities:** The District shall provide lunchroom, restroom, and lavatory facilities for employee use at each work site.

T. **Work Week:**

1. The work week shall normally be Monday through Friday.

2. 1. No more than twice per year can an employee's work schedule be changed to reflect either:
 - a. an earlier starting time; or,
 - b. a later finishing time.
2. The District may initiate a change in an employee's work schedule not to exceed thirty (30) minutes either before or after the employee's current work schedule, for good and sufficient reasons based on the operational needs of the District, provided a five (5) work day notice is given to the employee prior to effecting the change.
3. A District-initiated change in an employee's work schedule exceeding thirty (30) minutes shall be for good and sufficient reasons based on the operational needs of the District.
 - a. The District shall provide the affected employee with a ten (10) day advance written notice, advising the employee of such change and explaining the reasons therefore. In the event the change creates a

hardship for the employee, up to fifteen (15) calendar days written advance notice shall be provided.

b. District and Union agree to consult prior to effecting the change.

Consult, as used herein, means that the District will seek the expert advice of the Union on any matters relating to a change in an employee's work schedule in order to reach resolution prior to the implementation of such change. Views will be exchanged and considered by the parties with no decisions to implement the change until five (5) days after the commencement of consultation, unless otherwise mutually agreed to by the parties.

V. **Temporary Shift and Work Week Changes:** Temporary changes in an employee's shift and work week schedule shall only be made by mutual agreement between the immediate management supervisor and the employee, except for in-service training and departmental or site meetings.

CSEA employees shall be paid extra compensation for time spent in professional development/training activities on PD Days if that time exceeds their normal workday by more than thirty (30) minutes.

The parties agree that the workday on PD Days is considered a “professional day” and that the above is a fair and mutually beneficial trade-off of minor work time variances connected with professional development days.

Every employee who is employed full-time for twelve months per year and works five (5) days per week shall be entitled to twelve (12) days leave for personal illness or injury with full pay for each full fiscal year of service. Any employee who works less than full-time, or less than a full fiscal year, shall receive that portion of twelve (12) days as the time worked bears to the time worked by a full-time, full-year employee.
- b. At the beginning of each fiscal year, every employee shall be credited with the Personal Illness/Injury Leave allotment equal to his/her leave entitlement under A.1.a. above for the year.
- c. A continuing employee may use his/her leave credited under A.1.a. above at any time during the year. A new employee shall not be eligible to take more than six (6) days of credited Personal Illness/Injury Leave until the first day of the calendar month following completion of six (6) months of service.
- d. An employee may take paid pregnancy disability leave charged against available Sick Leave provided that the employee is in a paid status immediately prior to the commencement of the leave and submits to the District a physician's written verification of the pregnancy including the dates of the work disability caused by pregnancy or pregnancy-related condition.
- e. Unused Sick Leave earned under A.1.a. above shall accumulate from year to year.

- f. The District shall provide each employee with a statement of his/her accumulated and entitled Sick Leave balance as of the last work month on their monthly payroll warrant.
- g. The District may request that all absences from work due to illness or injury of five (5) consecutive working days or more be supported by verification(s) of disability from the treating health care provider(s).
- h. When the District has reason to believe Sick Leave privileges are being abused, the District may require a physician's verification which states the specific day or dates the employee was ordered to be off work and the date s/he is able to return to work, or the District may order an examination of the employee by a physician of its choice. If the District designates a physician, the District shall pay the cost for the examination.

- e. Extended Sick Leave with Half Pay shall be used for personal illness or injury only.
- f. Extended Sick Leave with Half Pay does not accumulate from year to year.

3. Industrial Accident/Illness Leave

- a. An employee who has completed probation shall be entitled to sixty (60) days non-accumulative industrial accident or illness leave per year upon commencement of the first day of absence resulting from a bona fide injury or illness arising out of and in the course of employment. If utilization of this leave occurs at a time when the full sixty (60) days will overlap into the next year, the employee shall be entitled in the next year to only the amount of leave remaining at the end of the year in which the leave commenced for the same injury or illness.
- b. Industrial accident or illness leave shall be reduced by one (1) day for each day of authorized absence regardless of compensation made under workers' compensation.
- c. Benefits provided in this section are in addition to Personal Illness/Injury and Other Sick Leave benefits. Accordingly, the District shall not deduct leave from the Personal Illness/Injury or Other Sick Leave accounts of an eligible employee who is absent as the result of an industrial accident or illness until the sixty (60) day industrial accident or illness leave has been exhausted.
- d. An employee who is not yet eligible for or who has exhausted Industrial Accident or Illness Leave shall be entitled to use his/her Personal Illness/Injury Leave benefits as provided in Sections A.1. and A.2. above. If the employee continues to receive Workers' Compensation benefits while on Sick Leave or Extended Sick Leave, s/he may elect to use that portion of his/her Sick Leave which, when added to temporary disability insurance benefits, is equal to his/her regular monthly salary. Payment for wages lost on any day shall not, when

added to temporary disability payments granted under Workers' Compensation insurance, exceed the normal wage for the day.

- f. An employee shall be deemed to have recovered from an industrial accident or illness and thereby be able to return to work at such time as his/her workers' compensation designated health care provider certifies that there has been such recovery.
- g. The District's report of an industrial accident or illness shall be kept on file in the Human Resources Department.

4. Notification Requirements for Extended Sick Leaves

- a. Employees on approved extended injury/illness leaves are required to keep the District advised on a regular monthly basis as to the status of the extended leave. - b. Not later than 2:00 p.m. on the work day immediately prior to the date of return to work from an extended leave due to illness or injury, the employee shall furnish to the Human Resources Department a written release from his/her treating health care provider. - Sick Leave
- Unpaid Family Medical Leave

1. Sick Leave

- a. Up to six (6) days of the employee's annual Sick Leave allowance (the amount an employee would accrue during 6 months of employment) pursuant to Section A.1. of this Article, may be used by an employee for the purpose of caring for an ill or injured child, spouse, parent, or domestic partner (as defined in Labor Code Section 233).
- b. The employee's Sick Leave balance, accrued per Section A.1. of this Article, shall be reduced on a day-for-day/hour-for-hour basis.
- c. Sick Leave used for the purpose of this section shall reduce leave available, if any, for Personal Necessity, per Section E.1. of this Article, on a day-for-day/hour-for-hour basis.

2. Unpaid Family Care Leave

- a. Employees may take Unpaid Family Care Leave(s) for up to twelve (12) weeks in a 12-month period to care for a family member with a serious health condition. Family members shall include spouse, child, legal ward, adult dependent child, parent, domestic partner (as defined in Labor Code Section 233), current father-in-law, mother-in-law, or any person with whom the employee has an "in loco parentis" relationship.
- b. To qualify for the leave, an employee must have completed one (1) year of continuous service in the District.
- c. The condition of the family member must involve an illness, injury, impairment, or other physical or mental condition which requires either in-patient care or continuing treatment or supervision by a licensed physician or osteopath, or other health care provider designated by the Secretary of Labor, and warrants the participation of the employee in the care of the patient during the treatment period.
- d. The employee must submit, with the request for the leave, a statement from the treating health care provider or osteopath which includes the date the condition commenced or will commence, the probable duration of the condition, the need for the employee's care for the

individual, and the estimated length of time the employee's care is needed. The District may require, at the District's expense, a second and, if necessary, a third medical opinion.

- e. The employee shall exhaust accrued vacation and compensatory time off before using Family Care Leave.
- f. By mutual consent between the employee and the District, the employee may use unused Sick Leave, earned per Section A.1. of this Article, in lieu of Unpaid Family Care Leave.
- g. Any paid leave(s) used for the purpose of this section shall run concurrent with, and reduce the total of twelve (12) weeks of Family Care Leave on a day-for-day basis.
- h. District-paid health insurance plan benefits shall not be continued for unpaid Family Care Leave unless the employee meets the eligibility requirements of Family Care Leave under Federal and/or State family leave laws (FMLA and/or CFRA). Employees who do not return from Family Care Leave for reasons other than their own disability shall be responsible for reimbursing the District for the health plan premium costs during the period(s) of the leave, unless the employee was in paid status during the entire leave. If the employee is in paid status during the entire Family Care Leave period then district-paid health insurance plan benefits shall be continued regardless of the employee's eligibility for state or federal leave. For those employees who are on an approved unpaid leave of absence who do not meet the eligibility requirements of Family Care leave under Federal and/or State family leave laws (FMLA and/or CFRA), continuation of health insurance benefits will be at the employee's expense.
- i. Except in emergencies, all requests for Family Care Leave must be submitted at least thirty (30) calendar days in advance. All requests are subject to verification of need. The specific starting and ending

dates of the leave shall be coordinated with the needs of the District and are subject to approval by the Superintendent.

- j. An employee may request an extension of Unpaid Family Care Leave beyond twelve (12) weeks and/or for the care of a relative not living in the household of the employee. Such requests are subject to verification of need and require approval by the District Superintendent.
- k. Family Care Leave shall not constitute a break in service for longevity or seniority purposes, or for eligibility for health benefits, but an employee shall not earn credit for Sick Leave or Vacation during an unpaid Family Care Leave.
- l. Employees shall be restored to the same or an equivalent position upon return from Family Care Leave.
- m. For those employees who meet the Federal and/or State statute requirements, the provisions of Family Care Leave shall be in accordance with federal and State law, and any changes thereto. This Family Care Leave shall run concurrently with those leave provisions, not as an additional leave benefit.

C. Catastrophic Sick Leave Bank

- 1. Permanent employees may donate up to ten (10) days of earned Personal Illness/Injury Leave accrued as set forth in A.1. of this Article to a Classified Employees' Catastrophic Sick Leave Bank. ARTICLE 20: GRIEVANCE PROCEDURE

- A. The purpose of this Article is to provide a procedure for the consideration of concerns pertaining to a contract dispute which is defined as an alleged violation, misapplication, or misinterpretation of the specific provisions of this Agreement that has adversely affected an employee or class of employees.
- B. Any employee may present grievances relating to a contract dispute to the District and have such grievances adjusted without the intervention of the Union as long as adjustment is not inconsistent with the terms of this Agreement. Upon final resolution of the grievance, the Union shall receive a copy of the grievance and proposed resolution and may file a response. The Union may file a grievance on behalf of any member of the bargaining unit.
- C. Most grievances arise from misunderstandings or disputes which can be settled promptly and satisfactorily on an informal basis at the immediate management supervisory level. The District and the Union agree that efforts will be made by management and the aggrieved party to settle grievances at the lowest possible level. Inasmuch as dissatisfactions and disagreements arise among people in any work situation, the filing of a grievance shall not be construed as reflecting unfavorably upon an employee's good standing, performance, or loyalty or desirability to the District. Employees, employee representatives, and all other persons involved in the presentation of a grievance will be free from restraint, interference, coercion, discrimination, or reprisal.
- D. Failure by the District to adhere to decision deadlines constitutes the right for the aggrieved to appeal automatically to the next step (higher level). Failure of the employee or Union to adhere to the submission deadlines shall mean that the employee is satisfied with the latest decision and waives any right to further appeal. However, nothing prevents the parties from extending the dates by mutual written agreement.
- E. Until final disposition of a grievance takes place, the grievant is required to conform to the original direction of his/her management supervisor.
- F. All documents dealing with the processing of a grievance shall be filed separately from the official personnel files of the participants.
- G. An employee who is employed by the District and whose presence is necessary during his/her working hours at any meeting, conference, or hearing required by this procedure shall, upon notice to his/her immediate management supervisor, be released without loss of pay.

- H. When a grievance has been filed by an employee or Union, the grievant may terminate the grievance at any time by giving written notice to the District. Failure to comply with time limits, to attend scheduled meetings to discuss or hear the grievance, or to provide requested information at the grievant's disposal relating to the subject matter of the grievance shall be deemed a termination of the grievance by the employee. The District shall also be required to give written notice of such termination to the employee.
- I. The grievant has the right to representation at any step of the grievance procedure. The grievant, however, shall be present at each step of the grievance procedure.
- J. Definitions
 1. **Grievance:** A formal written allegation by the grievant that the grievant has been adversely affected by a violation of the specific provisions of this Agreement.
 2. **Grievant:** A District employee in the unit covered by this Agreement or Union who is filing a grievance.
 3. **Representative:** A maximum of three (3) individuals (Union officers or designees) authorized by the grievant to participate in the grievance procedure.
 4. **Day:** Any day on which the District Office is open for business.
 5. **Immediate Management Supervisor:** The lowest level member of District Management having immediate supervisory authority over the grievant.
 6. **Witness:** An employee who possesses relevant knowledge regarding the grievance.
 7. **Class Action Grievance:** A grievance where circumstances are substantially the same for two (2) or more employees. In cases which are termed "class action," the individual asserting the grievance or Union shall represent the other affected employees.
- K. **Informal Resolution:** Any employee who believes s/he has a grievance shall present the concern verbally to the immediate management supervisor within fifteen (15) working days after the grievant knew, or reasonably should have known, of the circumstances which form the basis for the grievance. The Supervisor shall hold discussions and attempt to resolve the concern. Failure to do so renders the grievance null and void.
- L. Grievances shall be processed in accordance with the following steps:

STEP 1

If the concern is not settled during the informal discussion and the employee wishes to pursue the matter, the employee shall present the grievance on forms provided by the District in writing to the immediate management supervisor within seven (7) days after the verbal decision by the Supervisor based on the informal meeting. The Supervisor shall respond in writing within seven (7) days after the receipt of the written grievance. The written information shall include:

1. A description of the specific grounds of the grievance, including names, dates, and places necessary for a complete understanding of the grievance;
2. A listing of the specific provisions of this Agreement which are alleged to have been violated or misapplied;
3. A listing of the reasons why the Supervisor's proposed resolution of the problem is unacceptable; and
4. A listing of specific actions requested of the District which will remedy the grievance.

STEP 2

If the grievance is not resolved at Step 1, the grievant shall, within seven (7) days after receipt of the Supervisor's written decision, present the grievance in writing to the Principal/Department Head. In the event the Principal/Department Head is the employee's supervisor, the grievance shall immediately proceed to Step 3.

Within five (5) days from the receipt of the grievance, the Principal/Department Head shall, if so requested, meet with the grievant in an effort to resolve the grievance. The Principal/Department Head shall make a written disposition of the grievance within seven (7) days after such meetings and return it to the grievant.

STEP 3

If the employee is not satisfied with the disposition of the grievance at Step 2, or if no disposition has been made within the time limits established for Step 2, the grievance shall be transmitted to the Superintendent's designee for coordination of labor relations within seven (7) days after receipt of the Supervisor's or Principal/Department Head's decision. Within five (5) days from the receipt of the grievance, the Superintendent or designee shall meet with the employee on the grievance and shall indicate the disposition of the grievance in writing within seven (7) days of such meeting and furnish a copy thereof to the Union and to the grievant.

STEP 4

If the grievant is not satisfied with the disposition of his/her grievance at Step 3, s/he may request that the Union submit his/her grievance to arbitration.
