Teacher-Crystal Holmes
Paraprofessionals-Shanon Armstrong and Jillian Campbell

Our Happy Family

September was a busy month for room 103! We worked hard, made new friends, and celebrated birthdays.

October will be just as busy! We'll continue to build on our math skills, practice our reading skills, and have some spooky Halloween fun too!

What We're Learning

Reading- K EERI.K.2: Identify the topic of a familiar text

Reading-1st Grade EERI 1.8

Identify details that match the topic of a text.

Reading- 2nd grade EERI.2.2

Identify the topic of the text.

Reading-4th Grade EERL 4.1

Identify explicit details in texts.

EER. CC.4: Demonstrate one to one correspondence, pairing each object with one and only one number and each number with one and only one object.

Math-1st Grade EE.1.NBT.3

Compare two groups of 10 or less items when the number of items in each group is similar

Math- 2nd grade EE2.NBT.1

Represent numbers up to 30 with sets of tens and ones

Math-4th Grade EE4.NBT.2

Compare whole numbers using symbols.

Reminders

- If your child is going to be late, please call and notify the front office before 9am, so we can order them a breakfast and lunch. Or you can bring a lunch with you.
- Please check your child's folder daily.
