❺ FILL OUT REGISTRATION INFORMATION

The first time you enroll in an AP course in My AP, you'll need to fill out some registration information. It's important to provide accurate information. You only have to do this once.

❻ CONGRATULATIONS!

You're enrolled in your AP course.

⑦ Verify that "YES" is selected from the drop-down menu under the heading "Order Exam."

College Board Account Tips

You need a College Board account to join your AP class section, receive AP assignments from your teacher, and register for AP Exams. If you don't already have an account, please sign up at **collegeboard.org/register**. Your parents shouldn't create an account for you. Keep your account information in a safe place only you can access.

DO YOU ALREADY HAVE AN ACCOUNT?

All College Board programs are connected through one account, so if you created one for AP, PSAT/NMSQT, SAT, or College Board Opportunity Scholarships, you're all set. You'll just need your username and password to sign in.

IF YOU HAVE TROUBLE SIGNING IN TO YOUR ACCOUNT

- If you can't remember your username or password, follow the "Forgot username or password?" links at **myap.collegeboard.org** to reset them.

- If a family member set up your account, ask them for the login information. You may want them to sit with you while you sign in.

- If you can't remember the answers to your security questions, see if a family member has them.

If you followed all the steps to get your username or password and still can't access your account, you'll be able to create an AP 2019-20 interim account.
