SFMS MULTICULTURAL FESTIVAL

The annual SFMS [Multicultural Festival](#) is one of the students' favorite events of the entire year. Students and families are invited to attend and experience this fun community event October 23 3:35pm - 5:00pm. Teachers and parents host dozens of tables that represent countries from all over the world. Students receive a passport to "visit" and learn about other cultures, sample food, listen to music and enjoy a wonderful learning experience.

Reflections Contest

Please encourage your student to sign up for the Reflections contest. The theme for the 2019-2020 program year is Look Within. Students submit their completed works of art in one or all of the available arts categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, Visual Arts. Attached to the end of the newsletter is a flyer and registration form – due November 1. Please contact [Vanya Karia](#) for details.

Volunteering Opportunity

Last year, Jean Hoang, a student in SBAI, volunteered to help math teachers at Spring Forest by staying afterschool and helping the teachers during their tutorials. Jean would like to continue the organization and is hoping some students will step up and help the Spring Forest community as she did. Not only will these students be helping their peers, but they will also learn how to teach others. In addition to following SBAI's vision of contributing to society, this is a great opportunity to meet friends while upholding a strong foundation in math. If your child is interested, please let Jean or SBAI know, so we can set up a date for Jean to provide a short training session and share her experience. It is one hour of volunteering, one or two days a week, after school. Math content ranges from 6th grade math to Algebra or Geometry. We will find the teachers and the right level of math who need your child's help. Spring Forest teachers have expressed their need and gratitude for this effort.

Second Annual SBAI Pathways Event

Planning for the 2nd Annual Pathways event in January 2020 is underway. Pathways is a two-day experience that allows SBAI learners to explore careers in an enjoyable, engaging way. If you are interested in contributing to this body of work, please contact [Susan Fargason](#).

Stratford Playhouse

Stratford Playhouse has lined up a very exciting 2019/2020 Season! It starts off with the whimsical play, "Peter and the Starcatcher." The big musical this winter will be fun and family-friendly: "The Drowsy Chaperone." And then we end the season with a bang with "Mamma Mia!" Season tickets went on sale Monday, August, 19th. Don't miss out on the chance to get the best seats in the house! Go to <http://www.shsplayhouse.org/> to get your tickets.

Preparing for High School

Eighth-grade students will be asked to choose an endorsement, similar to a college major as it is an "area of interest" that students may pursue in high school. The five endorsement areas are Arts and Humanities, Business and Industry, STEM (Science, Technology, Engineering, Math), Public Service, and Multidisciplinary Studies. Students are able to earn more than one endorsement and change endorsement any time before their junior year. A pathway is a series of course options needed to earn a particular endorsement. There are several pathways within an endorsement.

Below is a Graduation Toolkit produced by the Texas Education Agency. [Graduation Toolkit English](#) The link below allows you to see the pathways offered at Stratford High School. Click on the links to the five endorsements to find the possible pathways. Click on the pathways to see courses that would satisfy the pathway and earn the endorsement.

The document linked below is a list of elective courses being offered in SBISD. The schools must determine if enough students sign up for an elective to "make". https://www.shs-spartans.com/uploads/5/9/4/0/59401625/pos_hs_2018-2019.pdf

Pathway of the Week

Multidisciplinary Endorsement with a [Four by Four Pathway](#). Students may earn the Multidisciplinary Endorsement by earning 1 additional Social Studies credit beyond the three required credits.
