After-School Activities

2019-2020

Registration and Transportation

Online Registration

Registration for Varsity and Middle School Sports begins the first week of school, the 2nd of September. Registration for all other activities begins at 9:00 a.m. Wednesday, September 18th, and closes at 3:30 p.m. on Friday, September 27th. Registration is completed online by accessing the ASM Parent Portal and following the After-School Activities registration link. All activities must be paid for at the time of registration in order to reserve a space. Online payments can be made with a credit card or PayPal account.

Middle School Sports begin the week of September 9th and end the week of May 18th. Varsity Sports begin the week of September 9th and end the week of May 24th. All other activities begin the week of October 14th and end the week of May 18th.

****All students enrolling in Active Sports will need to provide a certificate of good health.**

Behavioral Expectations

The ASA programs are viewed as an extension of the curricular day. Students in the ASA programs will need to adhere to ASM behavioral policies and procedures. Students who do not manage their behavior appropriately during sessions will be invited to “not attend” future sessions without a refund.

Transportation

Use of the late bus service is available, at no additional cost, to those students who are already subscribed to the full bus service (morning and afternoon) or the one-way afternoon service. Students not subscribed to the full service (morning and afternoon) or the one-way afternoon service may pay an additional fee (noted on the activity listing) to ride the late bus at the time of registration for the after-school activity.

The Late Bus service begins September 9th to accommodate Varsity and Middle School Sports. Late bus service for other after-school programs will begin October 14th, 2019 and end May 21st, 2020. The Late bus service is different from the regular bus service. It is designed to get students to areas of the city where they can more easily take public transportation or be picked up by parents. The After-School stops are generally different from the regular day service stops. On the last page there is a list of the Late Bus stops determined by the school.

When registering online be sure to indicate the bus number and precise stop where your son or daughter will get off the bus. To ensure student safety, if there is not an adult at the designated bus stop, the bus monitors will not allow students younger than 12 years of age off the bus and they will be brought back to the school for subsequent collection by a parent. Students older than 12 years will be allowed to get off the bus and go home independently only if a written authorization is received from both of the parents at the beginning of the school year. Students older than 12 years who are already authorized by the parents to get off the bus and go home independently will also be allowed to accompany their younger siblings if a waiver of responsibility is signed by both parents.

If you prefer to pick your child up at ASM, you can do so beginning at 5:20 p.m., and absolutely no later than 5:30 p.m.

Refunds

A refund is only given when an activity is canceled due to insufficient numbers. Most activities require a minimum of 8 students and may be canceled if minimum enrollment is not reached. Refunds are not given when a student chooses to drop out of an activity at any time during the year.

Swimmers meet two times a week depending on experience. Tuesday is open to all levels of swimmers (from kindergarten to grade 12), including those with no swimming experience. Thursday is for experienced swimmers (from kindergarten to grade 12).

ASM has Italian swimming instructors from the Noverasco Pool across the street, therefore, lessons will mainly be in Italian.

ASM staff members will walk students to the pool and pick them up afterwards. Staff members will be present in the changing rooms to ensure safety, but students need to dry and change themselves. Free tokens for the hair dryers will be available. We ask that parents teach the necessary changing skills at home.

Students will be chaperoned back to school by our staff to be picked up by parents or to take the bus home. Parents are not to pick up their children at the pool.

Swimmers must have:

- Swimming suit
- Swimming cap

Small Group Tennis Lessons are designed to accommodate skill growth related to playing ability and experience. Students will work in small groups to learn and practice the basic techniques of tennis or, in the case of experienced players, improve and further develop their game. The lessons are noncompetitive and include the use of a variety of games and activities to enhance skill development in a fun and enjoyable manner.

Junior Soccer

Jr. Soccer at the American School of Milan uses a multidimensional approach that combines the technical aspects of the game with the educational aspects. The dimensions considered are: mobility, listening, attention, cooperation, affection, play, health.

Coaches for Jr. Soccer are from provided through C.R.E.A, a local sporting association. C.R.E.A. activities are developed through a pedagogical and educational program named “DiventaRe Sportivo” which includes leading children and young people through the fundamental values of sport, such as: Disciplines – Braveness – Team – Fair Play – Passion. The format of each lesson will be: welcome in circle, warm-up, examination of a technical element, application in match situation, sharing thoughts, feedback, introduction of the element of the next lesson.

The activities are offered in a playful and recreational way to allow children to experiment with the technical element. C.R.E.A and ASM share a fundamental aspect: the attention to safety, about children and the facility.

Model United Nations

The ASM award-winning Model United Nations club offers students an opportunity to understand global issues, develop high-level public speaking and practice real leadership skills. Students learn about different countries, travel the world and make new social networks, but the program does require some commitment.

The club meets Wednesday afternoons. Students dress in formal business attire for the entire day, fitting the dress code of the United Nations. There are several potential travel opportunities for conferences in the 2019-2020 school year, including: Berlin, Milan, Dublin and possibly another conference. Students generally attend one (or more) of these conferences, in addition to planning a yearly conference hosted locally at ASM. Our home conference will take place from December 5 - 7, 2019.

Our students are among the most successful in the world, helping to lead some foreign conferences and being awarded at others. Our international trips, which are all optional, can cost 100-1500 Euros including travel and fees. Involvement in MUN is very attractive to universities, as it shows leadership, problem solving, academic curiosity, and language skills. To maintain a strong program, attendance and participation at weekly meetings is mandatory.
