We offer warm congratulations to all of our 2019 leavers

‘This year the boys have received excellent results and gone off to a range of top schools’

A

huge congratulations to all of our leavers who have received offers from a wide range of excellent schools, including Westminster Under, St Paul’s School, Dulwich College and King’s College, Wimbledon.

We only trust in published results, and we think that you should too. This year, for the first time, we are giving you the last three years in detail and the 9-year trend by percentage, which shows a remarkably consistent entry with 48.53 per cent going to four schools - Westminster Under, St Paul’s Juniors, Westminster Cathedral Choir and Sussex House.

‘The readiness is all,’ as Shakespeare once said. If a boy is ready at 7+, we

will recommend sitting entrance examinations at that age. It’s fine to wait a year to 8+ if he needs to mature a little more to blossom academically.

This year, a number of our parents have decided to take that route. In addition to the 8+ exams, there is also the possibility of sitting examinations at 11+.

As many parents who have been through the process will concur, the detailed academic evaluation that we offer boys before their examinations ensures that the right choice for each boy comes into focus naturally as time passes.

We always put the individual boy’s happiness and talents first. We believe that it is critical to have an open and honest dialogue with parents where we discuss each boy’s future examination plans carefully, guaranteeing him the best chance of ultimate success.

We are proud of all our boys and will do everything we can to support them and build them up to achieve their first choice of school – now and in the future.

Headmaster
