The Beecher Road School Extended Day Program is a before and after school program operating from 7:30 – 8:20 a.m. and from dismissal to 6:00 p.m. throughout the school year and during vacations from 8:00 a.m. - 5:30 p.m.

We are committed to ensuring that your child is safe and happy while you're at work! The staff provides a relaxing environment where children from kindergarten to sixth grade may play with friends in both structured and unstructured activities. On Tuesday and Thursday of each week the children have the opportunity to swim.

The Extended Day Program is staffed by certified teachers and teacher assistants employed at Beecher Road School. College and high school students who have experience working with children are also valued members on staff. We maintain a low student: adult ratio (generally 12:1 or fewer) and strive to provide a consistent nucleus of professional, friendly, and caring staff.

The Extended Day Program fees are paid monthly and vary according to the number of days per week a child attends.

<u>Number of Days per week</u>	<u>Cost/Month</u>
