- B. It is recognized that the Board has and will continue to retain, whether exercised or not, the sole and unquestioned right, responsibility and prerogative to direct the operation of the public schools in the Town of Stonington in all aspects, and all of said rights, responsibilities and prerogatives not specifically abridged, delegated or modified by this Agreement are retained by the School Board. Said rights, responsibilities and prerogatives shall include, but not be limited to, the following: to maintain public elementary, middle, and secondary schools and such other educational activities as in its judgment will best serve the interests of the Town of Stonington; to give the children of Stonington as nearly equal advantages as may be practicable; to decide the need for school facilities; and, to determine the care, maintenance and operation of buildings, lands, apparatus and other property used for school purposes; to determine the number, age and qualifications of the pupils to be admitted into each school; to employ, assign and transfer teachers; to select and assign supervisory and administrative personnel; to suspend or dismiss teachers in the manner provided by statute; to designate the schools which shall be attended by the various children within the Town; to make such provisions as will enable each child of school age residing within Stonington to attend school for the period requested by law and provide for the transportation of children whenever it is reasonable and desirable; to prescribe rules for the management, studies, classification and discipline for the public schools; to decide the textbooks to be used; to make rules for the arrangement, use and safekeeping of the school libraries and to approve the books selected therefore, to approve plans to school buildings; to prepare and submit budgets to the appropriate town boards and, in its sole discretion, expend monies appropriated by the town for the maintenance of the schools, and to make such transfers of funds within the appropriated budget as it shall deem desirable.
- C.
 - 1. These rights, responsibilities, and prerogatives are not subject to delegation in whole or in part, except that the same shall not be exercised in a manner inconsistent with, or in violation of, any of the specific terms and provisions of the Agreement. No action taken by the Board with respect to such rights, responsibilities, and prerogatives, other than as there are specific provisions herein elsewhere contained, shall be subject to the grievance provision of this Agreement.
 - 2. The impact of any modification in the working conditions of a member(s) of the bargaining unit over which the Board is legally required to negotiate with the Association shall be the subject of negotiations between the parties in conformity with section 10-153 of the Connecticut General Statutes. Except in the case of an

emergency, the Association will notified at least thirty (30) days prior to the effective date of any proposed actions (modifications) taken by the Board which impact on working conditions provided above.

D. The Association hereby accepts the recognition and certification as herein provided.

ARTICLE 1

Duration

The provisions of this Agreement, which is effective as of July 1, 2019 shall continue and remain in full force and effect to and including June 30, 2022 provided that if the total cost of a group health plan or plans offered under this Agreement meets the thresholds that would trigger an excise tax under the Internal Revenue Code Section 4980I, the parties agree to reopen this Agreement for the sole purpose of negotiating over health insurance.

In witness whereof, the parties have hereto set their hands and seals on Nov. 20, 2018 at Stonington, Connecticut.

ARTICLE 2

Fringe Benefits

The Board agrees to pay the following percent for individual, two-person or family plan coverage under the High Deductible Health Plan for Association members, with the exception of life insurance and Item F as noted.

July 1, 2019 – June 30, 2020:	83%
July 1, 2020 – June 30, 2021:	82%
July 1, 2021 – June 30, 2022:	81%

In the event that the Board's renewal rate from a contract year to the subsequent contract year increases by five percent (5%) or more, the parties agree that the Board may change or substitute insurance plans (or carriers) provided the level of benefits are substantially equivalent to or better than the existing plan. The "substantially equivalent to or better than" standard shall be applied on an overall plan benefit basis and shall not be benefit specific.

Participating members shall pay the remaining premiums through payroll deductions. This coverage is as follows:

- A. The Board shall provide coverage through a High Deductible Health Plan as more particularly set forth in Appendix A.
- B. Life Insurance – Two (2) times annual salary (Board pays one hundred percent (100%))
- C. Dental - Full Service Dental Plan for Dental Care (Comparable to BC/BS with Rider A and B)
- D. Long Term Disability Plan (Board pays one hundred percent (100%) of premium)

- E. Administrators hired prior to July 1, 2013 may elect to waive all health insurance benefits and, in lieu thereof, be remunerated in the amount of forty percent (40%) of the applicable C.O.B.R.A rate or premium as appropriate to a maximum waiver amount of one thousand dollars (\$1,000.00) for single coverage, two thousand dollars (\$2,000.00) for single plus one coverage and three thousand dollars (\$3,000.00) for family coverage. Such remuneration shall be paid twice per year, on or about December 1st and June 1st. Administrators choosing this option shall be able to change their option on July 1st, for any reason, and no more than one time during each year, if there has been a significant change in the administrator's circumstances, such a divorce, death of a spouse, etc., which warrants such change in option. Such request for change must be presented, in writing, to the Business Manager at least sixty (60) days prior to the beginning of the month in which the change is to take effect. Upon receipt of the revocation of waiver, coverage by the insurer shall be subject to any regulations, which may include waiting periods and proof of insurability, which may then be in effect. Waivers under this section are subject to the approval of the applicable insurance carrier. Administrators hired on or after July 1, 2013 shall not be eligible for such waiver. Should benefits or plans change for teachers during this agreement period the Association and Board will meet to consider a memorandum of understanding.
- F. Professional employees shall be allowed to deposit into a special flexible benefits account under Section 125 of the Internal Revenue Code, for the purpose of defraying additional medical costs that may be incurred by administrators and/or their families. These monies may be expended for medical care and/or dependent care under Section 129 of the Internal Revenue Code. Employees may also contribute voluntarily additional dollars to their account under the 125, 129 and 105(H) sections of the Internal Revenue Code. Cost of the administration of the plan shall be borne by the Board. The Board shall, for professional employees who are .5 F.T.E. or greater, match employee contributions up to a cap of three hundred dollars (\$300.00) per such employee per year.

ARTICLE 3

- C. When a member has to be absent because of illness of a member of the immediate family, such absence will be deducted from such leave. This will be a maximum of five (5) days in any contract year and will be noncumulative from one year to another, provided, the Superintendent, in his discretion, may permit the use of additional sick days for an illness to an Administrator's immediate family member (as defined herein). The Superintendent shall have the right to request a doctor's certificate to ascertain the validity of the actual illness. Immediate family shall be defined as: spouse, mother, father, children, brothers, sisters, mother-in-law, father-in-law, grandmother, grandfather or anyone domiciled in the home for whom the Administrator provides primary care (as defined by the IRS Code Section 152 concerning dependent persons).

8. The grantee as a condition to the acceptance of the sabbatical leave is required to report in writing to the Superintendent once each semester, (December 1st and April 1st) indicating the extent of the study and the nature of the courses taken.
9. A SSASA member granted sabbatical leave shall be paid fifty percent (50%) of his/her annual salary minus any program grant received by such Association member.
