Land Trust Expenditure Review

Proposed change to CE Productivity of \$8,000.00 attached to SIP goal #4.

This expenditure is no longer needed, and it is proposed that we drop it.

Proposed that \$10,000.00 be added to the expenditures for the 2019-20 school year to pay for a scholarship counselor.

Motion to add the \$10,000.00 for a scholarship counselor and to drop the \$8,000.00 for CE Productivity by Liz Hansen, 2nd by Michael Haney

Vote- Motion Passed

No other changes

TSSA/TSSP Budget Review

The budget is being used to pay extra salaries for teachers for AP Classes, 4 Productivity Periods, Advanced Courses, Summer Collaboration. School year Collaboration

After school tutoring from 2:30-4:30, Monday – Thursday

2.5 hours per day 4 days per week working with students that cannot be in the regular classroom

Any of the budget not used will be allocated elsewhere later in the year

Dance Policy

Mixed reviews on how the students feel about the new policy of CHS students only at the dances

A change was made to the policy to reflect district policy

Charter and Homeschool students that live within the boundaries of CHS will be allowed to attend the dance if they fill out an online application and receive approval from the school

2018-19 Junior prom had about 700 attendees, 200 of the attendees were guest from other schools.

The new dance policy is to meet the goal of a more united student body.

Single tickets are available to the dance for those that don't have a date.

This policy will be revisited at the next community council meeting, after the Homecoming dance to see if dance numbers were affected.

Are the school SIP goals being read by faculty, parents, students? What can be done to so everyone is aware of what the goals are?

Liz Hansen brought up the idea of posters

Other Business

School Restroom policy briefly discussed

The use of the restroom during class time is at the discretion of the teachers.

School Accreditation

Oct 7-8

Email invites sent out to parents

Liz Hansen encouraged community council members to attend school events and to post about the experience.

Student Life: Senior class President

Lanyard policy

Makes checking into class easier

Most students are wearing them in halls – not always in class

A couple of glitches to work through

Opening Assembly

Good activity participation

Senior Sunrise (best attendance ever)

Homecoming

Activities for the students almost every day

Elementary Leadership conference is next week for all the elementary schools that feed into CHS

It will be run by CHS student body officers

Notis APP

Will be introduced at the Homecoming assembly September 20, 2019

Closed network that can be used to get information to students and parents

Chris Keime will send out promo videos to the community council

Community Council Meetings will continue to be the 3rd Wednesday of each month at 4 pm

Motion to adjourn by Liz Hansen, 2nd by Vicki Stewart

Adjourned until October 16, 2019
