

WAYS TO MAKE UP A “U”

- Perform 2 hours of Bountiful High service with a teacher, coach or custodian. Every “U” is assessed a \$5.00 fine and must be paid (in addition to the service performed) to fully clear the “U.” **Community service done outside Bountiful High School will not be accepted.** **The service must be done with the teacher who gave the “U” or with another teacher but approved and signed by the issuing teacher.**
- Receive two hours of math tutoring!
- Attend Parent/Teacher Conference with a parent. Have each teacher sign a copy of your schedule next to their name for verification. Return the schedule to Mrs. Stout = 1 cleared U!”
- **Increase your GPA .5 after the following term a “U” was issued. No more than one “U” can be cleared this way.**
- Have perfect attendance without tardies in the same class the next term and have one “U” cleared.
- Receiving an “H” (Honor) in a class would make up a “U” in the same class if “H” appears on the report card following the term the “U” was given.
- 24 CANS of food clears one “U” – NO RAMEN NOODLE PACKAGES OR CUP-A-SOUP! Donating cans may only be used to make up two “U”s per term.
- For every .25 of credit recovery accomplished through GradPoint or Northridge Learning Center, one “U” will be cleared.
