

SUFFIELD POLICE DEPARTMENT

CONDITIONS OF SOLICITOR/PEDDLER PERMIT

"I certify that I have received a copy of the Town of Suffield ordinance, titled 'An act concerning soliciting, vending, peddling and public auctions'. I further agree and consent in advance to summarily have my permit revoked if any information or misrepresentation or falsification is found in the information submitted to Suffield Police, on which said permit is based or if violation of any part of the ordinance is found to have occurred".

I further understand that I may inquire of the Chief of Police as to the reason my permit has been revoked should that occur and will have the opportunity to appeal such revoking of my permit if I feel an error in judgment or fact has been made. I understand the Board of Selectmen will make the final decision in such matters.
