

AVON OLD FARMS SCHOOL

21st Annual Baxter Library Book Drive

Friday, October 18, 9 a.m. - 5 p.m.

Saturday, October 19, 8 a.m. - 11 a.m.

Help fulfill the Baxter Library's wish list!

There will be many books on display in the library during the book drive. You may purchase a book in your name, your student's name, or a teacher's name. The gifts will benefit students and faculty for years to come. Each book purchased will have a bookplate placed inside honoring that special person.

Dear Parents,

During Family Weekend, Avon Old Farms School's Baxter Library will be holding its 21st Annual Family Weekend Book Drive. We initiated this program for two reasons. One is to provide an opportunity to present a visible gift in honor of a friend, student, alumni, or faculty member, which will be put to immediate use by the Avon Old Farms School community. Secondly, we want to expand the library resources available to students and faculty.

You may purchase books from the selection of curricular and recreational books that have been chosen to fulfill needs in the library, or you may contribute money for the library to purchase a book in a specified field of interest. The books will be on display in the Baxter Library on Friday, October 18th, and Saturday, October 19th. The library staff will be on hand to assist you with your gift selections. Payment may be made with cash, check, credit card, or your student debit card and it is tax-deductible. A special bookplate indicating the name of the person honored and the name of the donor(s) will be placed in each book you give.

If you are unable to attend Family Weekend and you wish to participate in our Book Drive, the contribution form below is available for your convenience. We truly appreciate your support.

Deborah Garber
Library Director

Name of Donor(s): _____

Address: _____

I/We wish to contribute \$ _____ for: The purchase of a book in the field of _____
 The purchase of a book to be selected by the Library Staff

The bookplate should read: _____
