

Cedar Brook Elementary School Addition and Renovations

SBISD Board Workshop Meeting

MEETING AGENDA

- + Welcome and Introductions
- + Summary: Project Advisory Team Meetings
- + Scheduled Potential Scope of Work
- + Final Design Recommendations

PROJECT DESCRIPTION

- + Our charge is to bring the Cedar Brook Elementary School campus as close to current district standards as possible and to approach upgrades to the campus in a way that will serve SBISD and Cedar Brook community for the next twenty-years.
- + The purpose of our fact finding investigations, project advisory team meetings and visioning sessions was to pinpoint design goals and priorities.

PROJECT ADVISORY TEAM CHARGE

- + **Project Advisory Team (PAT)** – is a select group of parents, community members, school staff, SBISD personnel and Bond Committee liaison.
 - Each Project Advisory Team's (PAT) members are charged with providing input into planning and design development for their school's renovation project in the 2017 Bond Program.
 - The PAT works collaboratively and cooperatively with the architect and SBISD Project Manager to conceptualize, develop and refine the project's final goals and design.
 - The PAT met in a series of six meetings beginning in January 2019 and completing in May 2019.
 - The PAT reached its recommendations through consensus on a variety of proposed design areas.
