School Improvement Plan – Jed Johansen

Positive Attendance : Every student wears an ID badge everyday and scans their badge as they walk into class. This has been a positive thing and we've had great feedback from teachers.

Positive Imagery:

1. New Banners along the street, on the football field and around the school.
2. New Landscaping done including new trees planted.
3. Window Coverings put up on large windows of the school.
4. New risers for the music department.
5. New furniture to create a learning environment for the Collaboration areas.
6. New Conference room
7. Benches throughout the hallways for students
8. 7 new bulletin boards for advertising events and activities at the school. Keeps our school looking professional and clean.
