

IAC EITANIM ANNUAL PROGRAM 2019-2020

The Buzz

IAC Eitanim is a cutting-edge leadership and entrepreneurship project-based program. Teens will experience, rather than read or hear about the "why" from someone else.

Become a Leader

Showcase skills and gain new ones, work in teams, develop and exercise leadership in real-life.

Long Lasting Friendships

Meet Jewish and Israeli-American teens from your region in a dynamic, young, innovative, creative and visionary environment.

Skills for College

Experience a hands-on entrepreneurship program, learn about innovation, practice critical thinking, problem solving and gain other soft skills.

Connect to Israel

Connecting to Jewish and Israeli-American community, heritage, culture and igniting "Israeliness".

Discover Your Entrepreneur

Learn more than you could imagine about entrepreneurship from the best mentors and experts. Apply this acquired knowledge towards creating cutting edge solutions and nation-wide competitions!

Mentors

Jewish and Israeli-American mentors who are leading industry experts, entrepreneurs, professionals and community leaders.

Explore

Discovery ways to combine art, science, photography, music, design and more with Israeli Innovation.

Have Fun

Meet like-minded Jewish and Israeli-American teens from all over the nation, experience interesting innovative challenges, fun activities, delicious snacks and exciting surprises!

The Tasks

You will work on several tasks, creating ground breaking solutions to real life challenges.
