

NEW LEBANON ELEMENTARY SCHOOL BUILDING COMMITTEE

Community Update – October 2019

About the School Building Project

This intra-district elementary International Baccalaureate magnet school serve students in grades PreK-5. The centrally located learning commons, equipped with flexible furnishings & adaptable technological infrastructure, allows for multiple zones of simultaneous learning. The building is designed to meet the sustainability goals established by the Educational Specifications and to achieve a gold-level LEED rating from US Green Building Council.

- Phase 2 is nearing completion.
 - Playgrounds will be inspected and operational mid-October
 - Landscaping and privacy fencing is complete as per the approved plan.
 - Plantings will continue through the fall due to the respective planting seasons
- Phase 3 Ballfield Reconstruction is ongoing.
 - Sod in ballfield will be placed late October.
 - Perimeter fence will remain until Spring for proper establishment per Dept. of Parks and Recreation.

The project has received its 5th reimbursement from the state, \$1,196,911, totaling \$16,935,078 to date.

A 6th reimbursement has been submitted in the amount of \$767,281, due in October.
