LET'S CHEER FOR SIA!
MS. SUSAN
(PRE-K 3 – GRADE 4)

Join the SIA Tigers for a fun-filled cheerleading class! During this nine-week session, students will have the opportunity to learn basic cheers and jumps that will be incorporated into an end of term performance in the Spring. Cheerleading will help build confidence and team playing skills all while having fun! Our instructor, Susan Fiorentino, cheered from elementary school through college and currently coaches cheerleading and tumbling at the Broadway YMCA. Pricing for this class includes an additional \$50 fee for a pom-poms. Gooooooooooooo Tigers!

CHESS WIZARDS
PREMIER CHESS
(PRE-K 3 – KINDERGARTEN)

Premier Chess is excited to partner with Staten Island Academy for the third year in a row to offer a chess club for all students. Ready to amaze all with your brain power? More than just a game of winning and losing, we challenge students to think ahead, visualize their goals, treat others with respect and learn from their mistakes. Chess enhances cognitive development, improves scholastic performance and boosts confidence.....and is a game kids can enjoy for a lifetime!

CHESS WIZARDS
PREMIER CHESS
(GRADES 1 – 4)

Premier Chess is excited to partner with Staten Island Academy for the third year in a row to offer a chess club for all students. Ready to amaze all with your brain power? More than just a game of winning and losing, we challenge students to think ahead, visualize their goals, treat others with respect and learn from their mistakes. We will teach students opening, middlegame and endgame themes and get them ready to represent our school at tournaments. Chess enhances cognitive development, improves scholastic performance and boosts confidence.....and is a game kids can enjoy for a lifetime!

**CHESS WIZARDS
PREMIER CHESS
(GRADES 5 - 8)**

Premier Chess is excited to partner with Staten Island Academy for the third year in a row to offer a chess club for all students. Ready to amaze all with your brain power? More than just a game of winning and losing, we challenge students to think ahead, visualize their goals, treat others with respect and learn from their mistakes. **NATURE ON YOUR DOORSTEP
MR. WOLLNEY
(PRE-K 3 – GRADE 1)**

Students in this class will explore the natural world in our immediate environment by exploring the plants and animals living on the school campus. Anticipated organisms for study include earthworms, insects and their larvae, salamanders and perhaps even snakes. Additional local animals from turtles to rabbits will make guest appearances.

**CHEMISTRY WITH COMMON MATERIALS
MR. WOLLNEY
(GRADES 2 - 3)**

Students will be introduced to chemistry through reactions that can be demonstrated using common substances available in the home. Topics include: acids and bases, plastic polymers, the production of gases, gas expansion and much more.

**CONSTRUCTION CHALLENGES
MR. WOLLNEY
(GRADES 4 – 6)**

Modern Science Olympics and similar competitions increasingly include the construction of non-robotic devices for the successful completion of a challenge. Examples include the construction of stick bridges, gadgets to shoot ping-pong balls to set distances and “Rube Goldberg” machines. Students in this class will use both mental and physical skills to design and perfect various contraptions to complete specific challenges with parameters.

ROBOTS AND MACHINES
MRS. MARTIN
(GRADES 5 – 7)

Beginning with simple machines and adding automation and sensors, along with applying practical math and science concepts, students will learn engineering design, mechanical construction and basic computer coding skills. We will incorporate different types of robots, electronics and construction materials for a fun hands-on experience!

IMAGINATION STORY TIME
MS. LEE
(PRE-K 3 – KINDERGARTEN)

Let's let our imaginations run wild! Come read a story and then create a craft! From a super silly sloth to a lazy laughing lion...the choice is yours! A new creation will be made and sent home each week. Reading and art are combined in this fun and creative course.

INNOVATIVE THINKERS
MS. BARBARINO
(PRE-K 3 – GRADE 1)

STEM stands for Science, Technology, Engineering and Math. Join Ms. Barbarino as she has created this Adventures class to engage our Early Childhood students to become creators, thinkers, problem solvers, doers, innovators and inventors. We are sure to have a blast!

SOCCER PREMIER
SOCCERSHOTS
(GRADES 1 - 2)

Focusing on individual skill, fitness and sportsmanship, each session provides an opportunity for kids to be challenged through fun games and team competitions.

**** Please see attached instructions on how to register online ****

**SOCCER CLASSIC
SOCCERSHOTS
(PRE-K 3 – KINDERGARTEN)**

Using creative and imaginative games, we focus on basic soccer skills like passing and shooting. At the same time, we highlight a positive character trait during each session, such as respect, teamwork and appreciation.

*****Please see attached instructions on how to register online*****

WE HOPE TO SEE YOUR CHILD/CHILDREN ENJOYING ALL THAT STATEN ISLAND ACADEMY'S FALL ADVENTURES SESSION HAS TO OFFER! WE LOOK FORWARD TO CREATING, LEARNING, PLAYING, AND MOST OF ALL HAVING FUN!
