<u>CRITERIA AND STANDARDS FOR REVIEWING</u> <u>SCHOOL DISTRICT INTERIM REPORTS</u>

The following narrative is presented in the same sequence as the accompanying <u>2018-19 First Interim</u> <u>General Fund Summary – Unrestricted/Restricted Revenues, Expenditures, and Changes in Fund</u> <u>Balance</u>. Individual summaries of unrestricted and restricted General Fund Revenue and Expenditures are also included.

A) **REVENUE**

- 1) <u>Property Tax/LCFF</u> Projected LCFF sources increased \$80,261 to account for higher estimated taxes. Projection for current year secured property tax is 5.0% over prior year collections.
- 2) <u>Federal Revenue</u> Federal revenue projections decreased \$3,960 based on award allocations of federal grants.
- 3) <u>Other State Revenue</u> Other State revenue increased \$365,082 primarily due to one-time discretionary funds for outstanding mandate claims, career technical education carryover and an adjustment to lottery funds. In addition, Governor Brown signed Assembly Bill 1808 which allocated funds for the Low-Performing Students Block Grant. The preliminary amount, estimated to be about \$112,632 for Laguna Beach schools, are funds provided to serve students identified as low-performing on state English language arts or math assessments, who are not otherwise identified for supplemental grant funding under the LCFF, or eligible for special education services.
- 4) <u>Other Local Revenues</u> Other local revenue increased by \$541,073 to account for CalSTRS defined benefit supplement refunds, donations and school fees associated with the new summer athletics program at the high school. In addition, interest earnings are expected to be higher in this economic environment. The current gross interest yield year-to-date for fiscal year is 1.74% for the Orange County Educational Investment Pool. The forecasted net yield for fiscal year 2018/19 is 1.81%.

B) EXPENDITURES

- <u>Certificated Salaries</u> This category decreased a total of \$406,678 attributed to changes in certificated personnel. District enrollment has declined from 2,929 students (2017/18) to 2,862 (2018/19) with further projected declines in the out years. District revenue is not based on enrollment; however, expenditures continue to rise. Given that enrollment is the main data point used to determine staffing, teacher staffing has been more closely aligned with the number of students. A decrease of 3.8 FTE certificated teaching staff is reflected in certificated salaries.
- 2) <u>Classified Salaries</u> There was an increase of \$116,294 in the cost of classified salaries since budget adoption. Two new positions were added. An Attendance Specialist position for 5.75 hours per day provides the ongoing support necessary for optimal implementation of attendance procedures and to improve attendance accounting at Laguna Beach High School. The other position is a 6.0 hours per day Technology Systems Specialist, established to provide additional support for technology help tickets and summer technology projects.
- 3) <u>Employee Benefits</u> The benefit category decreased by \$222,676 as a direct result of the certificated salary adjustments mentioned above.

- 4) <u>Books and Supplies</u> Both unrestricted and restricted carryover has been posted and new donation and grant expense has been budgeted resulting in an increase of \$899,972 since budget adoption. Funds are primarily geared for the next textbook adoption.
- 5) <u>Services and Other Operating Expenditures</u> This category has increased expenditures of \$496,179 as a result of special education, facility repairs, software, costs funded through donations, and allocated carryover funds from various programs.
- 6) <u>Capital Outlay</u> Capital Outlay has an increase of \$473,396 due to allocations for facility projects, furniture and technology equipment. The district has been able to effectively maximize the impact of one-time funds received, making investments in classroom technology and improving learning by creating inspiring learning spaces.
- 7) <u>Other Outgo</u> This category has a net increase of \$61,410 due to costs associated with county placement of special ed students and offsetting adjustments for pass-through payments to College and Career Advantage (CCA), formerly known as South Coast ROP.
- 8) <u>Transfer of Indirect/Direct Support Costs</u> No changes at First Interim.

D. OTHER FINANCING SOURCES AND USES

- 1) <u>Interfund Transfers</u>
 - a) Transfers In No changes at First Interim.
 - b) Transfers Out A transfer of \$500,000 was added for the Special Reserve for Non-Capital Outlay (Fund 17) committed to the Basic Aid Differential and \$400,000 for additional contribution to the Special Reserve Fund for Capital Outlay Projects (Fund 40).

F. FUND BALANCE

Fund balance meets requirements, as it is not less than the sum of its components.

SUMMARY

CASH FLOW ANALYSIS

Requirements are met as an analysis indicates that there will not be a negative cash balance at or before the end of the fiscal year.

MULTI-YEAR COMMITMENTS

There have been no multi-year commitments in the General Fund since budget adoption.

CONCLUSION

At this time in the fiscal year, the District is in a satisfactory financial condition. It is recommended that, based upon the First Period Interim Report, the Governing Board approves the following:

- 1. A positive certification that this District will be able to meet its financial obligations at year-end and two subsequent fiscal years.
- 2. Revisions to the Original Adopted Budget as outlined in this report.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). LAGUNA BEACH UNIFIED SCHOOL DISTRICT FUND DESCRIPTIONS

- **FUND 01** The General Fund is the chief operating fund for Laguna Beach USD. It is used to account for the ordinary operations of the district. All transactions except those required or permitted by law to be in another fund are accounted for in this fund. Restricted projects or activities within the general fund must be identified and reported separately from unrestricted projects or activities.
- **FUND 11** The Adult Education Fund is a separate fund used to account for state appropriations and to finance specific programs for the education of adults. Funds can be expended on salaries, benefits, supplies, books, services, and equipment related to adult education programs (Education Code Section 52616.4).
- FUND 13 The Cafeteria Fund (Nutrition Services) is used to account separately for federal, state, and local resources to operate the food service program (Education Code sections 38090-38093). The purpose of the food service program is to provide nutritious meals to the students. The District participates in the National School Lunch Program and the School Breakfast Program. The District serves approximately 500-550 lunches and 200-230 breakfasts to the students from kindergarten through twelfth grade on a daily basis.
- **FUND 17** The <u>Special Reserve</u> Fund for Other Than Capital Outlay Projects is used primarily to provide for the accumulation of moneys for general operating purposes other than for capital outlay (Education Code Section 42840). On May 11, 2004 the Board of Education approved the target of reserving two-thirds of the basic aid differential (the difference between Revenue Limit funding and Basic Aid funding) to be achieved by June 30, 2009. Funds reserved for the Basic Aid differential are deposited into this fund.
- **FUND 25** The Capital Facilities Fund (Developer Fees) exists to account for monies received as mitigation fees levied on developers, property owners or other agencies as a condition of approving new development or additions to existing real property. The authority for these levies may be local government ordinances (GC 65970-65981) or private agreements between a school district and the developer. Expenditures from this fund are to be used for the purpose of funding the construction or reconstruction of school facilities (Education Code sections 17620-17626).
- **FUND 40** The Special Reserve Fund for Capital Outlay Projects exists to account for the accumulation of moneys for capital outlay purposes (Education Code Section 42840). This fund is separated into three sub-funds in accordance to with resolutions #01-02, #14-02 and #14-03.

Sub-fund 4040 exists to account for the Facility Repair and Replacement Program (FRRP).

Sub-fund 4041 exists to account for the **Vista Aliso property reserve**. The District holds a repurchase agreement on the property.

Sub-fund 4042 exists to account for the **Capital Improvement Plan (CIP)** that goes above and beyond prior commitments for repair and replacement needs, but extends to improvements of facilities for program and enrollment growth. A ten-year plan will be developed and revised, at least annually, to prioritize major projects.
