Dear Alum Rock Community:

As you are well aware, beginning tomorrow, PG&E has informed the City of San Jose that they may shut off power in sectors of the City. Unfortunately, the Alum Rock Union School District is located within those sectors. Our district will be shut down Wednesday, October 9 and Thursday, October 10, 2019. Even though some schools may have power, the District Office will not have power and therefore cannot provide emergency support and services. **Again, all schools will be closed on Wednesday, October 9 and Thursday, October 10, 2019.**

Our next scheduled update will take place Thursday, October 10 at 4:00 pm. Please check our social media sites and website for updated information.

Like you, we share in the frustration of this uncertainty.

Thank you for your understanding.

Sincerely,

Dr. Hilaria Bauer
