

The Future of Education with Salim Ismail

Thursday, October 17, 2019
The Mabin School Gym

6:30 pm Refreshments
7:00 pm Presentation
7:45 pm Q & A

Please join us at The Mabin School for an exciting evening with Salim Ismail, best-selling author of *Exponential Organizations*, which reached No. 1 on Amazon's "Best-Sellers in Business Management," and was named Frost & Sullivan's "Growth, Innovation and Leadership Book of the Year."

A disruptor in his field, a sought-after business strategist, and a serial entrepreneur, Salim founded technology companies including Confabb, PubSub Concepts, and Ångström, which was acquired by Google in 2010. He also led Brickhouse, Yahoo!'s internal incubator, and was recently named an XPRIZE Foundation Board member.

Salim is also Founding Executive Director of Singularity University; Chairman of ExO Works; Founder of The ExO Foundation; Board member of Rokk3r Inc.; an Aion Advisory Board member; and General Partner of Rokk3r Fuel ExO Venture Fund. Recently, Ismail founded The ExO Foundation, a global consultancy dedicated to solving humanity's most pressing challenges.

Salim is a prolific speaker who has been profiled across a vast array of media outlets, including The New York Times, Bloomberg BusinessWeek, Fortune, Forbes, WIRED, Vogue, and the BBC.

Space is limited! All are welcome!

Register [here](#) for this free event by October 10, 2019.
