

Canterbury School of Florida is seeking an experienced and dedicated Math Instructor for an immediate placement to teach a rigorous math curriculum. This candidate will also implement LEADS (Canterbury's character education program) through advisory and will be expected to perform various duties that support the Knowlton Campus.

In addition, this teacher will have a commitment to the School's mission and an interest in community involvement through participation in school-wide committees and activities. It is expected that each faculty member contributes to a positive culture by building collaborative, collegial, and respectful relationships with colleagues and overtly supporting fellow teachers and administrators.

### **Skills and Abilities**

- Experience teaching Mathematics (Pre-algebra and Algebra).
- Excellent organization, presentation and communication skills.
- Strong classroom management skills.
- Commitment to collaboration and team teaching across disciplines.

### **Typical Duties**

- Instruct five sections of Math classes in grades 6-9.
- Deliver lesson plans and monitor student performance.
- Collaborate with colleagues to enhance instructional activities and environment.
- Update and maintain student academic records and performance metrics.
- Communicate regularly with parents, students and colleagues regarding student progress.

### **Educational and Other Requirements**

- Bachelor's Degree required. A Master's degree in education or Mathematics is preferred.
- Prior experience teaching middle school math required.
- Successful completion of pre-employment background screening, drug testing and safety training required.

Interested applicants should send a letter of interest and resume to Paul Kostak, Middle School Principal at [pkostak@canterburyflorida.org](mailto:pkostak@canterburyflorida.org).
