GRAMMAR SCHOOLS

# BGS CHRISTMAS MARKETS

**Saturday 23<sup>rd</sup> November 2019**

**10.00 – 4.00**

**The Christmas Markets are back - bigger and better than ever before!**

**We have many brand new exhibitors selling everything from luxury fragrances and skincare to handcrafted scarves and scrumptious cupcakes. Get ahead of the seasonal rush and pick up some of your key Christmas buys such as Christmas puddings and cards.**

There will be plenty to keep the children entertained too. Besides Santa and his merry elves in the Grotto there is the challenge of the snowboard simulator and many new seasonal games to try. Not forgetting our usual favourites such as tombolas, raffle and face painting too. After all the shopping and games relax over hot and cold refreshments served in our sixth form centre.

**To help the markets be as successful as possible we need your help with;**

**Teddy Tombola**- Donations of used teddies and soft toys in good condition wanted.

**Chocolate Tombola**-Donations of wrapped chocolates, big or small wanted.

**Raffle prizes**- Popular prizes are unopened toiletries, alcohol, any unwanted gifts.

*Tombola or raffle donations or second hand uniform donations can be taken into the school offices at any time*

**We should also be grateful for the donation of cakes/mince pies for the refreshment stall, which can be brought into school on Friday 22<sup>nd</sup> November to the school office.**

The Fair is only possible if we have enough help on the day. If you can offer us any time setting up on Friday 22<sup>nd</sup> or on the day this would be a great help. The Fair raises an average of £5000 a year - all spent on projects in school.
