For parents in the Class of 2020, this program is a special effort to express appreciation for St. George's influence on the lives of their children.

These commitments make an immediate impact this year and ensure that future St. George's students will benefit from the same excellent educational experience.

MAKE AN IMPACT

The Sixth-Form Gift Program provides parents the opportunity to show gratitude to the faculty who have taught and cared for their children while at SG. Donations from the Sixth-Form Parent Gift Program will benefit faculty support and enrichment.

Our faculty are at the heart of St. George's. They not only teach, they are dorm parents, coaches, mentors, advisors, and much, much more.

Sixth-Form gifts for faculty support enable St. George's to hire the best teachers and provide them with the finest resources to continually enhance their knowledge in their fields and build upon their teaching capabilities.

GOALS AND MISSION

Our goal is to raise **\$500,000** and we're aiming for **100% parent participation**. Sixth-Form gifts are counted towards the St. George's Fund and allocated to faculty enrichment. These gifts not only help us reach our goal, but also send a strong message to the many faculty members who have had a positive impact on our students.

Gifts to the SG Fund make a profound statement in support of the St. George's faculty.

On behalf of the entire SG community, thank you!
