For the safety of our students and the reputation of the school, the following rules apply to all students:

1. Using, possessing, selling, trading, and/or being under the influence of drugs, alcoholic beverages, illegal substances, prescription medications (unless approved through the School Nurse), tobacco, e-cigarettes, e-liquids, or vaping substances/materials, as defined by state or federal laws at School, on- or off-campus, is strictly forbidden.
2. A first violation of the School's drug, alcohol, illegal substances, prescription medications (unless approved through the School Nurse), tobacco, e-cigarettes, e-liquids, or vaping substances/materials policy will likely lead to suspension and Conduct Probation, or even separation, depending on the severity of the violation. A second violation at any time in a student's Upper School experience will almost certainly result in separation from Saint Mary's Hall.
3. The School reserves the right to conduct periodic checks for drugs, alcohol, illegal substances, prescription medications (unless approved through the School Nurse), tobacco, e-cigarettes, or vaping substances/materials on School grounds, in buildings, in lockers, in any vehicle on campus, or in personal belongings, and to request a medical screening of students to ensure a drug-, alcohol-, tobacco-, e-liquid, and vaping-free campus. Any vehicle suspected to contain any of these substances/materials while parked on campus may be searched by the School administrators and local authorities.
