GO COUGS!!

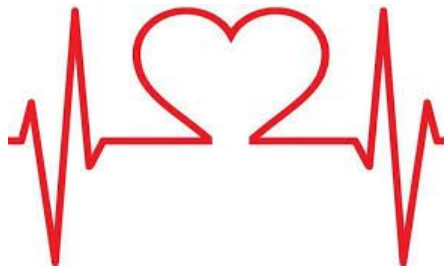

OCTOBER IS BULLYING PREVENTION MONTH

Did you know when bystanders intervene, bullying stops within ten seconds 57% of the time. YOU *can* make a difference. This month, each week has a bullying-prevention theme.

Here are some ideas to do your part to make a bully-free environment:

- Make friends with someone you don't know at school already.
- Challenge others to be kind.
- Keep in mind that National Coming Out day is Friday.

FREE HEART SCREENING!

Keep the registrations coming! We're trying to break 555 and we're pushing 300 right now! Bring your friends to the Main Office and get forms for your free heart screening! It's on **Wednesday, November 6th** - you'll only miss a little bit of class and it's totally free.

The Nick of Time Heart Foundation uses an EKG to detect a condition that could cause a lethal Sudden Cardiac Arrest. By getting this simple, non-invasive test, you can avoid SCA. **SAVE YOUR HEART!**

MISCELLANEOUS STUFF

Activity Bus: If you have an after-school activity, the activity bus runs on Mondays, Tuesdays, and Wednesdays (no Thursdays or Fridays). It leaves from the bus loading area at **4:10**.

Forget Something? Students, if you forget an item at home, you can have it dropped off at the cart in the office. Stop by during passing or lunch to pick it up. In an effort to limit classroom disruptions, we won't deliver the item or send a note to class.

ATHLETICS & BELL SCHEDULE
